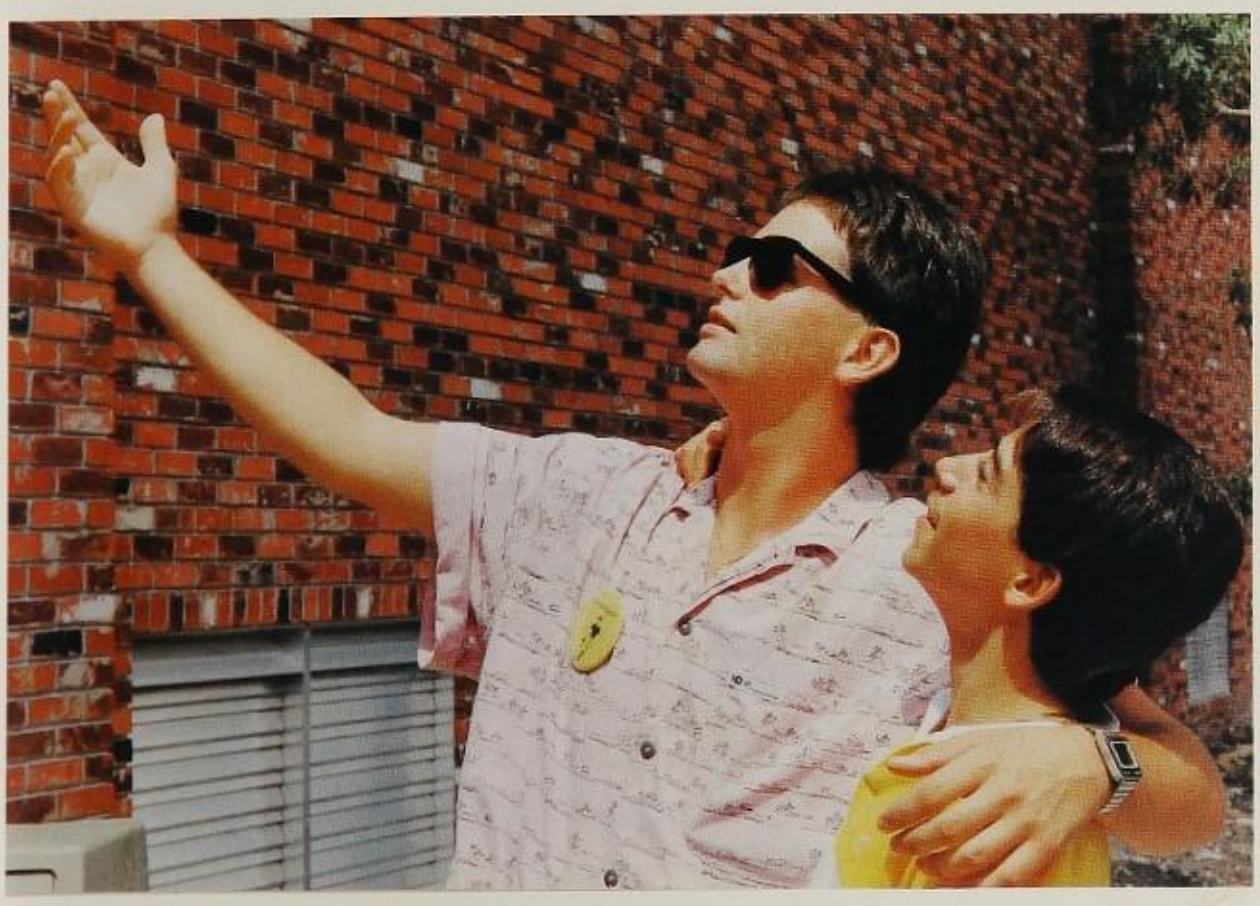
At Long Last!

A walk around the campus, at the start of the 1987-1988 school year, provided even the most casual observer with some noticeable signs of progress. Progress flourished in the form of construction, new teachers, new faces, and new activities.

Attention was focused on the enormous structure that had begun the year before. Progress peaked through the rising beams, the forming walls, and the unfinished wooden floor. Students peered through the windows anxiously waiting for the doors to open. Tuesday October 20, the first school activity in the new gym took place. The new gym became

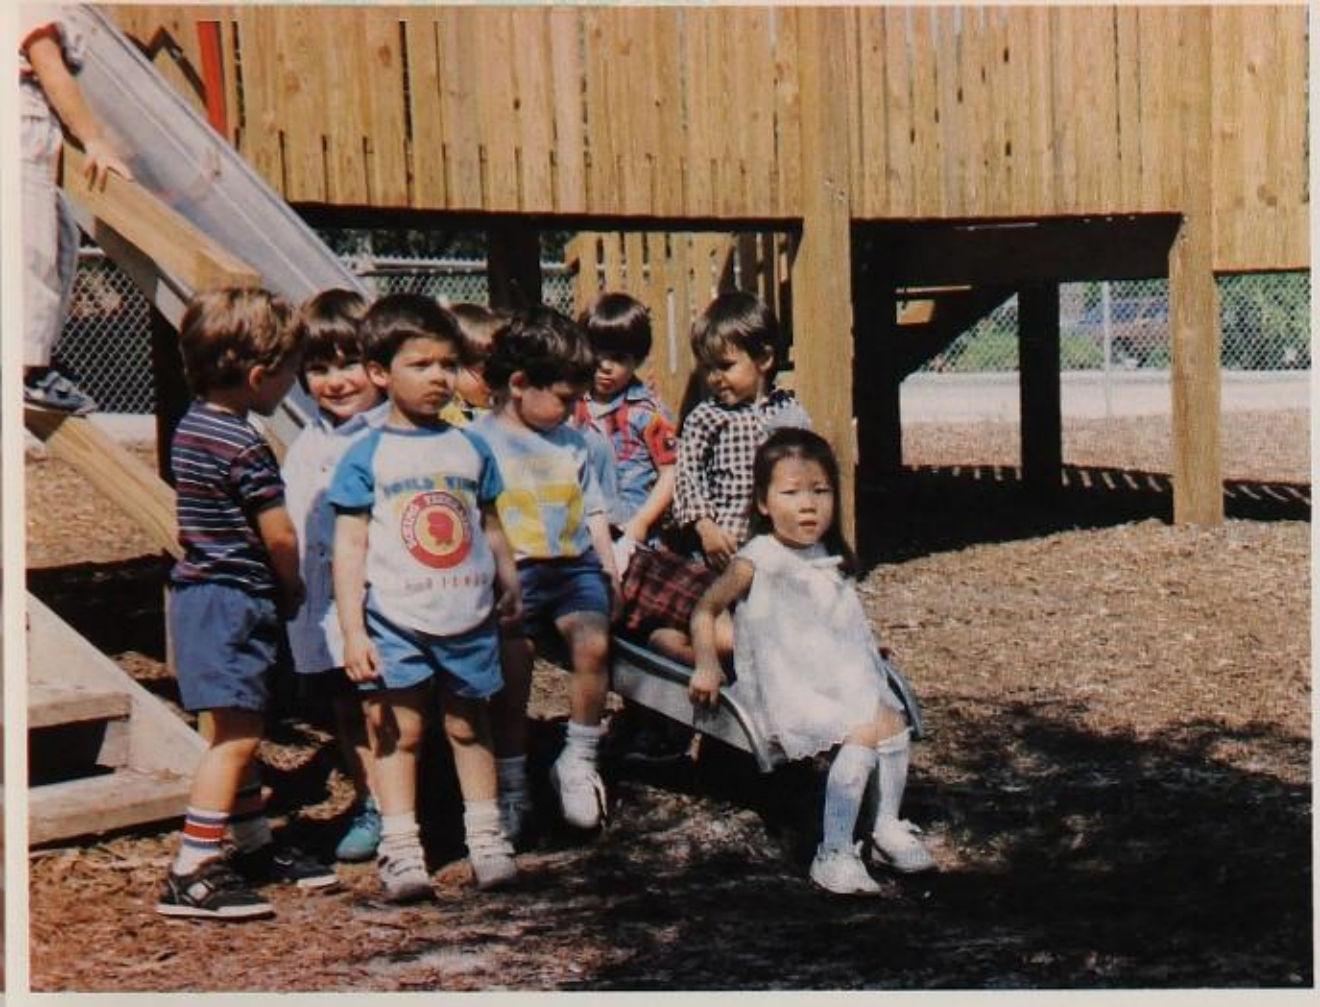
the center of school activities and sports. Pride and school unity echoed in the gym as students cheered their teams. The gym walls were decorated during pep rallies; the aura of victory renewed Patriot pride.



The stage, which was put in later, added a new dimension. It transformed the gym into a concert hall or playhouse. The spring production, as well as band and chorus concerts, took place in the gym.

Magical moments were made in the new Heritage gym. Emotions, mixed with sweat and hard work, helped to create memories of which any Patriot would be proud.

When You Don't Want To Study . . .



Progress, combined with change, occupied the scene at American Heritage this year. The biggest reminder of progress was the new gym, but many other changes had taken place everywhere.

Progress started with the introduction of the, first-ever, student I.D.'s. The I.D.'s admitted upper school students to after school games and other activities. Ms. Kay Kester's new drill team highlighted progress as well. They, at football and basketball games, dazzled and entertained the crowds. Late in the football season, progress was made towards a full fledged marching band.

Changes to the campus both improved and added new dimension to student life. The now famous snack bar opened early each morning. Fresh coffee, doughnuts, and snacks were always available. They were well appreciated especially for the late student that missed breakfast. The best "breakfast" sellers were bagels and cream cheese. Students could be found at the snack bar throughout the day, sneaking snacks between classes and during their independent study periods.

The snack bar and cafeteria did booming business, but many students were attracted to the exotic delicacies provided at Burger King & McD's. Seniors were given the privilege of leaving campus during their lunch and independent study periods.

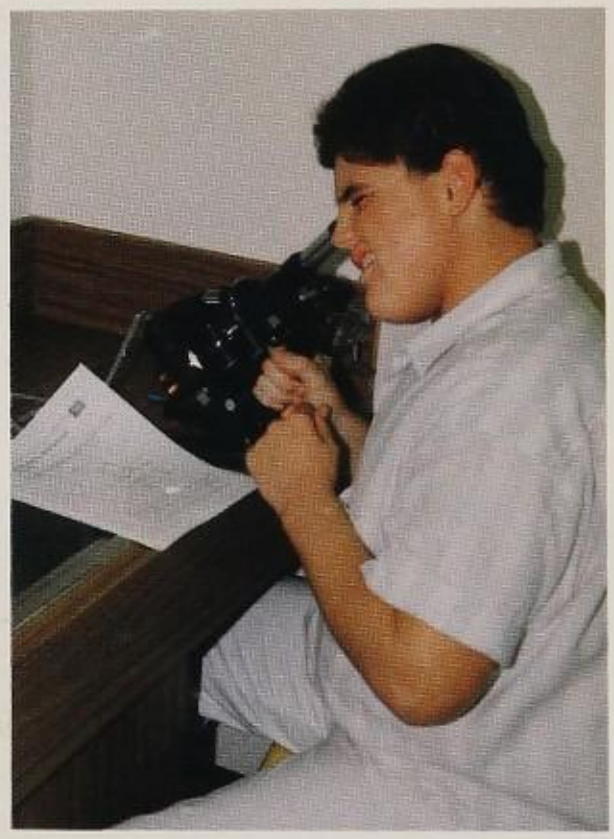
Another new entertainment center was the student lounge. Students could talk, watch T.V. or study. This proved to be a great place for students to relax and play endless rounds of video games.

The new additions at American Heritage bettered the campus life and steady progress made the '87-'88 school year an exciting experience.

New Neighbors, Old Friends

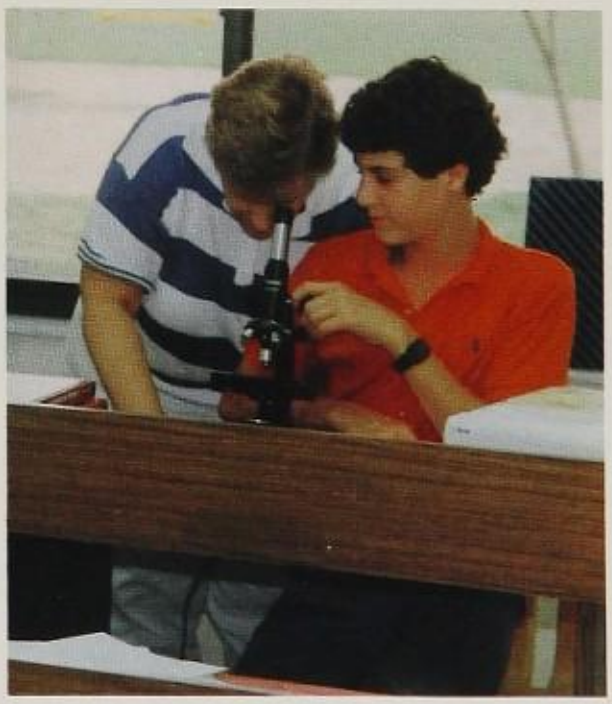
During the 1986-87 school year the American Academy was relocated from its east campus to portable classrooms in the area west of the tennis courts. Last September they moved to their newest home on the south-east corner of our Heritage campus.

This brand new structure had seventeen classrooms along with a science lab, ample office areas, and playing fields. The campus accommodated 115 students from grade one through twelve. This year the Academy graduated its largest senior class.

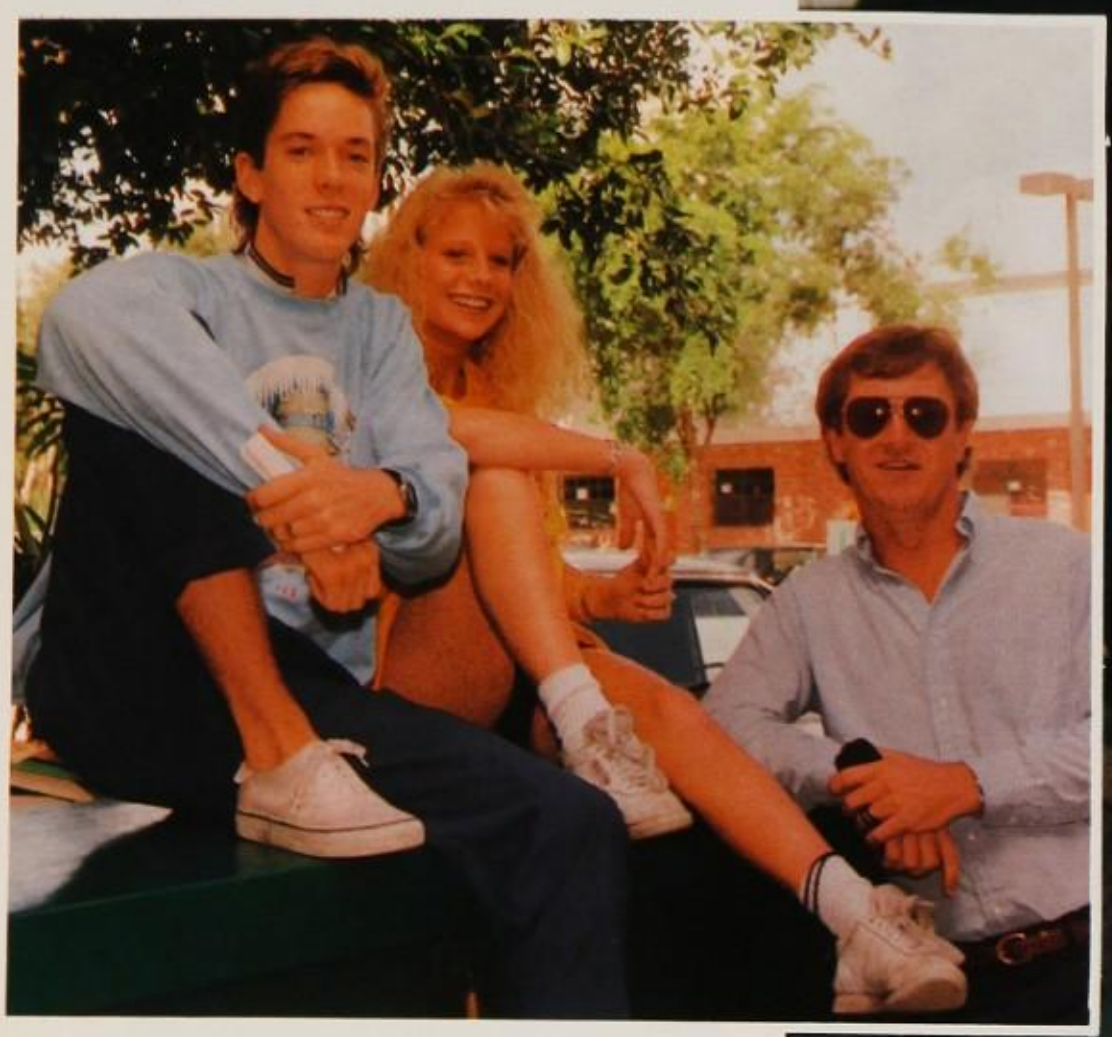


Many Academy students took part in the extra-curricular activities at American Heritage. Students from Academy combined with Heritage students for many other activities such as Prom, Homecoming, and graduation.

The Academy and their new building added to the feeling of progress. Students made new friends. The Academy was accepted as another new dimension to the quickly progressing Heritage lifestyle.



H



He Runs The Distance.

He was always referred to as "Coach" until he returned to Heritage last year in a new role. Steve Christian shed his shorts, pocketed his sunglasses, and hung up his baseball cap to rejoin the staff as a social studies teacher. Though the outfit changed, his humor, enthusiasm and intelligence remained.

Steve Christian made history and economics a fun learning experience. The many "related stories" and trivia questions helped to make class exciting. Mr./Coach Christian also enjoyed testing his students' gullibility.

Steve Christian has been a member of the Heritage coaching staff for 12 years. Coach Christian developed the first cross country team, coached boys tennis, golf and girls basketball team as well.

Because Steve Christian's main interest is running, he has worked hard to expand the track and field events at American Heritage. Last year, for the first time, he coached students who qualified for state in three events.

In the classroom and on the field, Mr./Coach Steve Christian has been an outstanding leader and friend. His students have grown to respect and trust him. His optimistic views have brought out the best in his students and in himself.

The Spotlight staff proudly dedicates the 1988 Spotlight to Mr. Steve Christian himself a study in progress.

The sense of spirit and pride continued to characterize the student body this year. Students showed spirit during pep rallies, athletic contests and through other activities as the year wore on.

Innovation Boosts Spirit!

Students' roars enlivened pep rallies and gave the school a sense of unity. Playful competitions among classes for who could scream the loudest drew almost as much interest as the team itself.

Lower school got involved more than ever. Mrs. Karen Murphy helped build spirit by starting a lower school pep club. During games, the pep club helped the cheerleaders stir the crowd while the band kept the beat.

American Heritage caught "finger fever" and patriot fans held up this overgrown golden hand to cheer our teams. The Patriot Finger signifying "We're #1" originated in the coaches' office window, then was adopted by Mr. Laurie as he greeted arriving students in the morning. Not long after that the student body became affected with "finger fever".

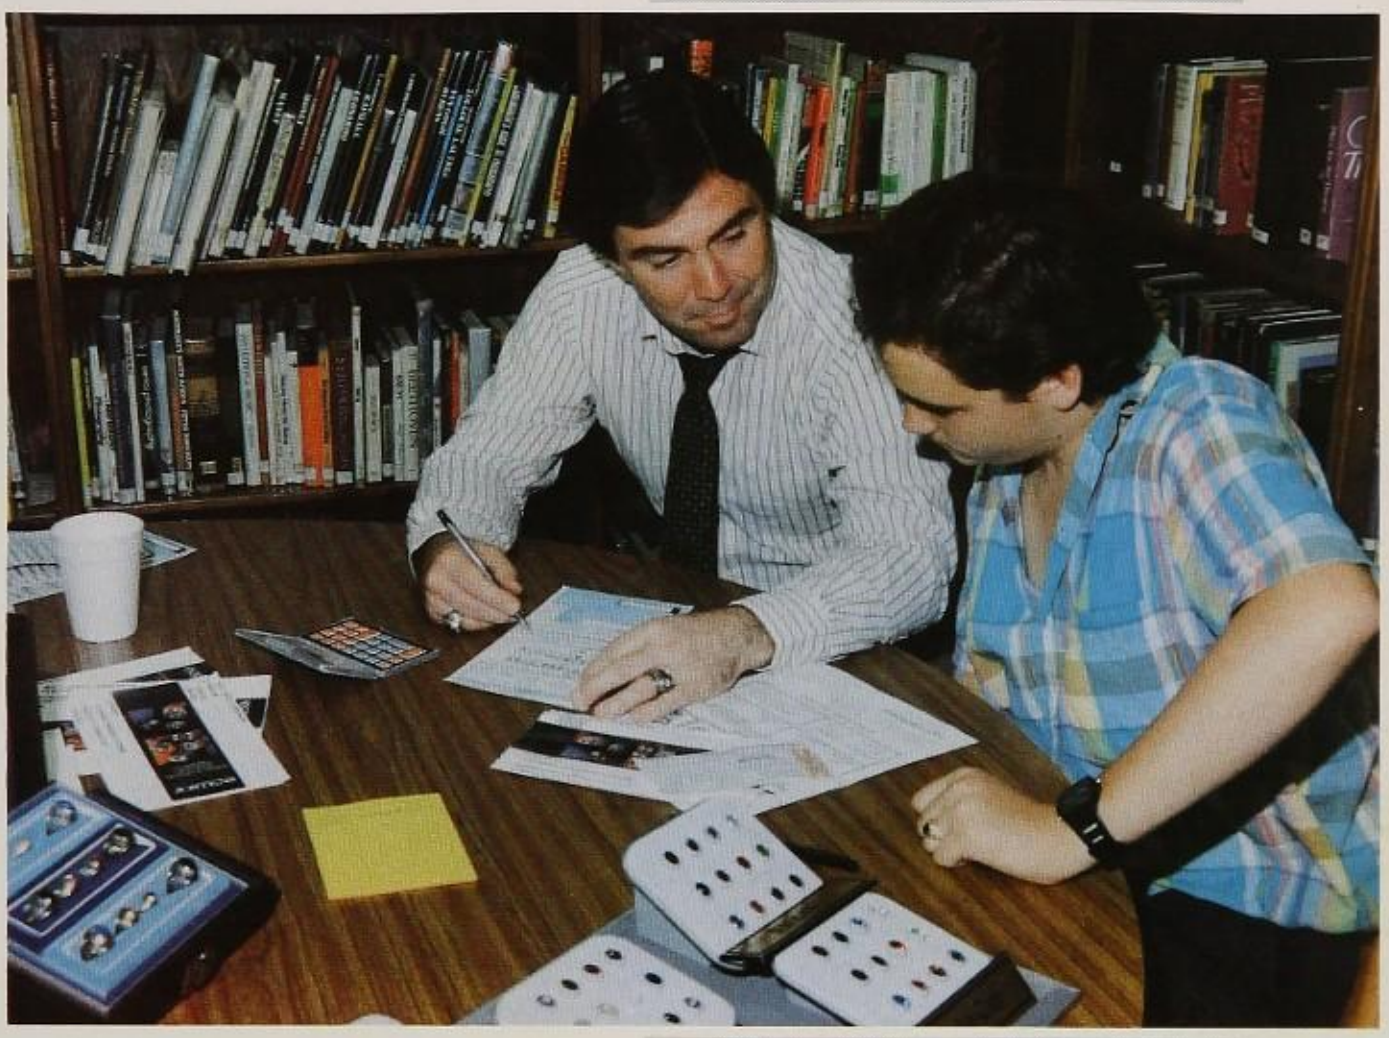
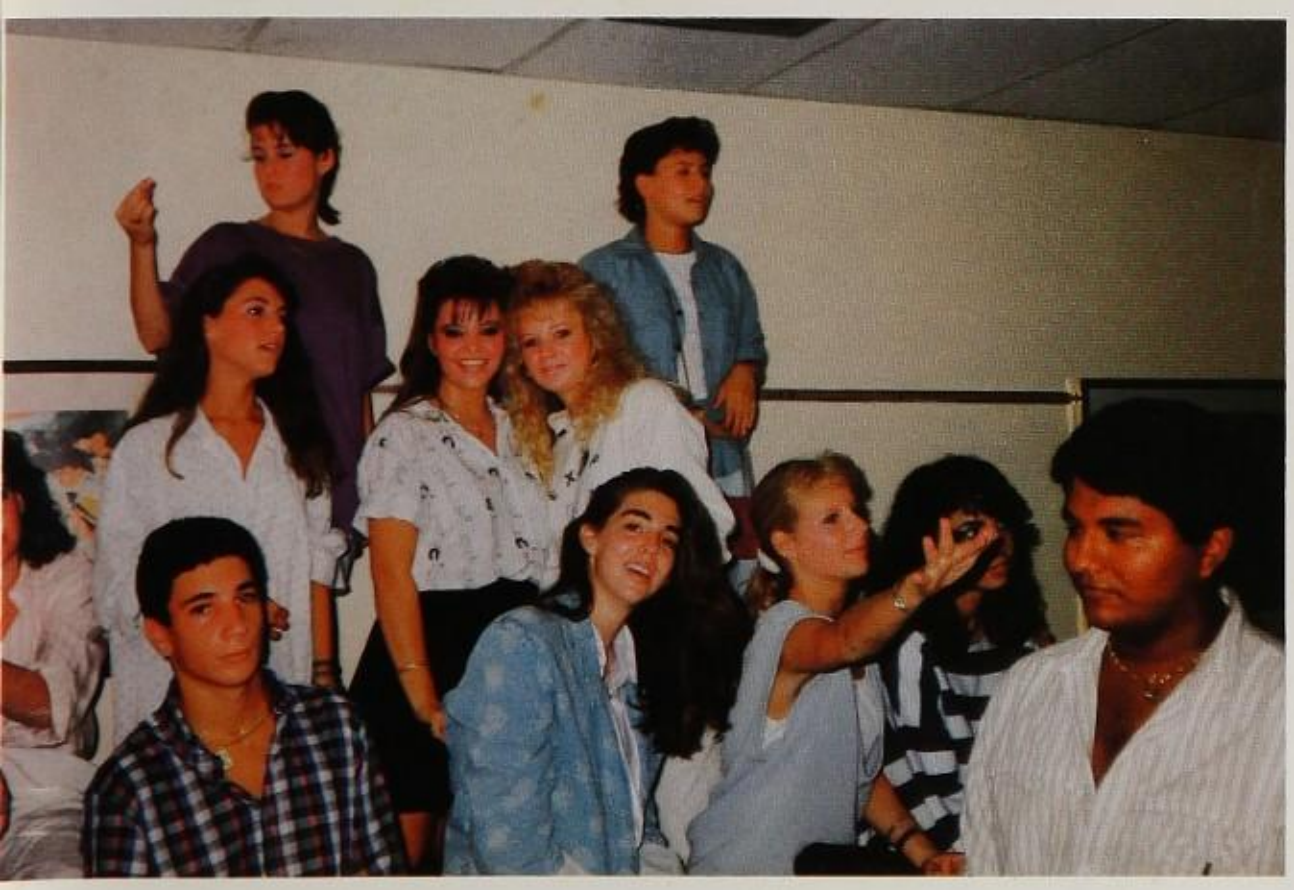
Traditions Get New Twists!



This year the Powder Puff competition was held twice. The first competition came during October's school picnic. It was billed as a "practice" for the traditional homecoming week game. Once again, seniors dominated with their skill developed from four years of training.

Traditional events helped build spirit, too. For the first time the juniors had their class rings presented at a nighttime ceremony. Mrs. Gonano continued advising a very active Modern Language Club. Mrs. Wineland helped plan a homecoming week that was loaded with new ideas and events.



Spirit days invited students to support our teams. Upper school students wore black and gold while lower school wore their class spirit shirts.

Pride mixed with confidence and dedication helped to develop an atmosphere, here, where spirit flourished throughout the year.

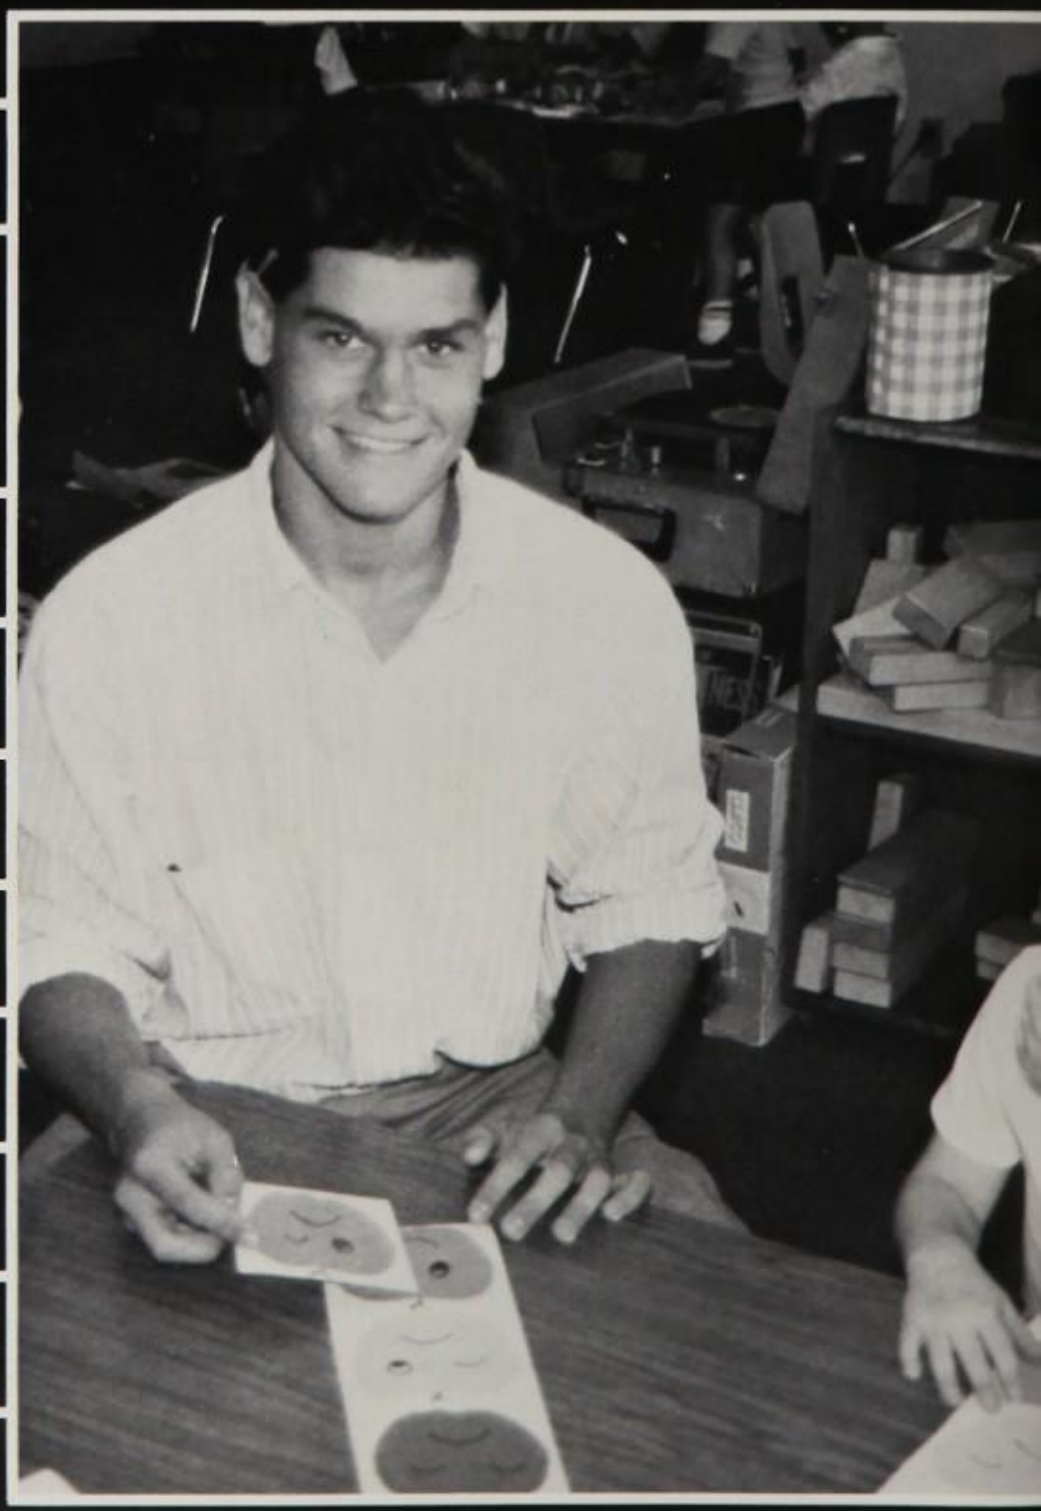
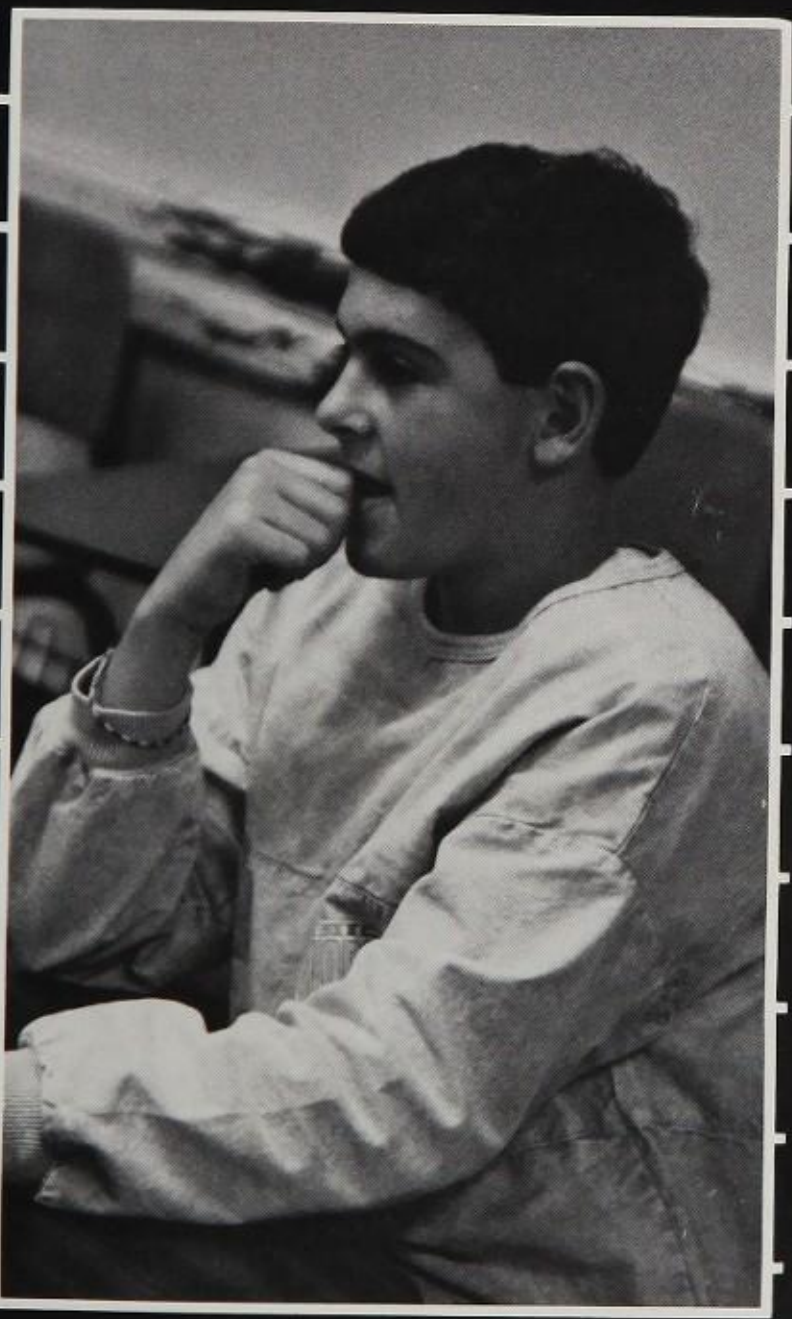
Head Of The Class



The National Honor Society was a good sized group of approximately 20 members, all of whom qualified as top academic students.

The Society's main goal was to raise money to provide scholarships to two outstanding senior members who best exemplified the criteria for social membership. The two winners had to possess that exceptional combination of character, scholarship, leadership and service.

Every member had two main responsibilities throughout the year: one as an Elementary school aide, and secondly as a helper at the school bookstore. The bookstore raises a substantial part of the society's money.



Under the guidance of Mr. Jeff Segal, and with the help of officers, Alex Frank, Bradley Ritter, Shelly Silberman, and Brian Hardy, the Junior National Honor Society's main goals were accomplished. The Society did an excellent job of assisting the lower school faculty.

The Spanish and French Honor societies consisted of President, Brett Osborne, and Secretary-treasurer, Scott Wingerson, along with some very enthusiastic members.

The Honor Societies had a part in sponsoring the orphan child from Colombia, and they also shared their funds with the Modern Language Club.

Each member had the job of tutoring an Elementary student in Spanish after school. This is a free service offered to new students or to those who have difficulty with Spanish.

On March 10, the Language Honor societies held an Induction Dinner at Chi-Chi's Restaurant for the old and new members.

National Honor Societies held inductions in the Gym during May.

SENIOR HIGH STUDENT COUNCIL

For the second year in a row, Mrs. Jan Wineland helped develop the leadership abilities of student council members. President Doug Laurie; Secretary, Leslie Stein; and Treasurer Scott Wingerson, made this year's Senior High Student Council the best that it could be.

It has become a tradition for the council to coordinate and plan all of the activities that make Homecoming week a complete success. And what a success it was! Spirit week started out with the pie-eating contest in the new gym and ended with the tricycle race in the upper school parking lot. On Saturday night the traditional Homecoming Dance took place at the Rolling Hills Hotel from 8:00-12:00.

Service projects also proved successful, especially the Holiday Toy Drive that was held to help needy families celebrate their holidays. The council worked hard to collect toys, then deliver them to the homes. Everyone who participated agreed that this was an extremely touching and worthwhile project.

This year the council decided to operate on a voluntary rather than elective basis. This proved very successful with more than 25 volunteer members, making it the most enthusiastic group in council history.

The student council did elect their officers and they were all seniors. Their talents will be missed next year. Many underclassmen have expressed interest in holding offices next year. With their experience we could have another year of real progress.

JR. HIGH STUDENT COUNCIL

Mr. Cherry had the pleasure of guiding the Junior High Student Council through an exciting year. Several unforgettable events took place.

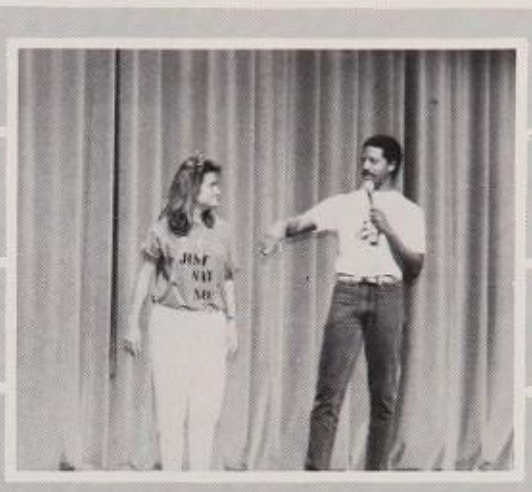
Many fund raisers took place to bring down the high cost of some activities, and to make some very generous donations to worthy causes. In the fall, there were plenty of good old traditional bake sales on campus along with a cheese and sausage sale which required students to sell door to door:

After the holidays, springtime crept up on everyone, and much money was needed for the end of the year activities. The flower sale for Valentine's Day went over very well with students.

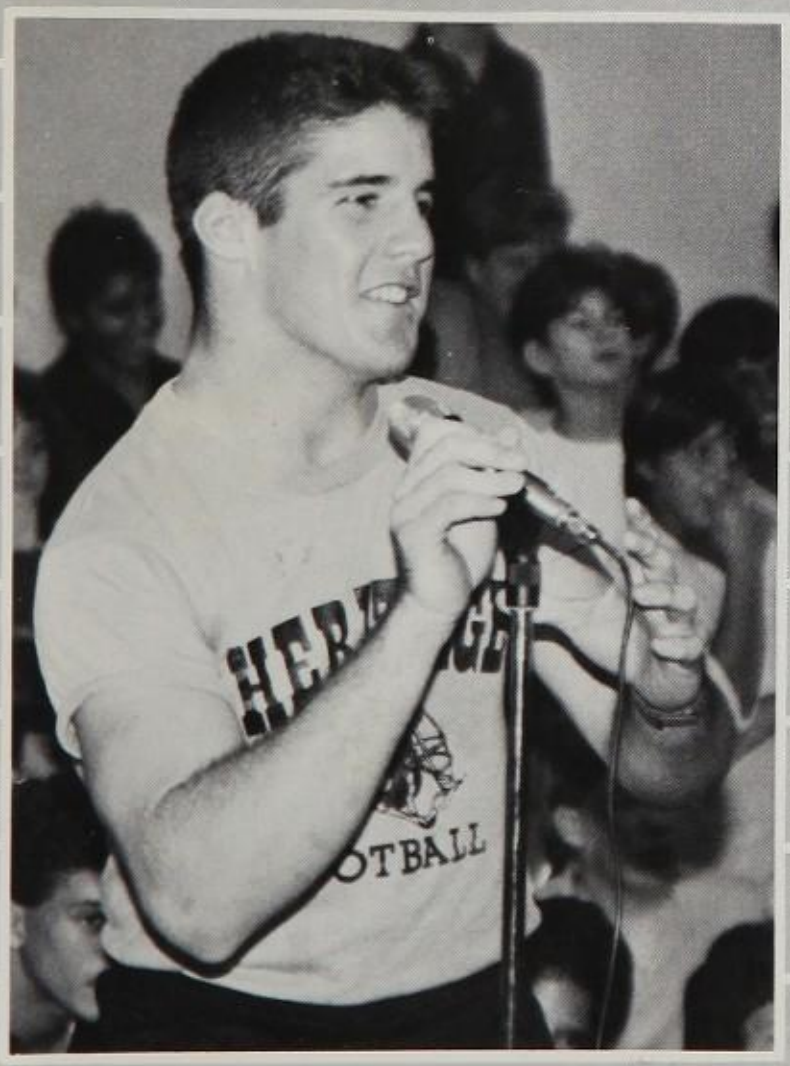
The council became known for their generosity when they gave a sizeable donation to the chorus for their trip to Atlanta in the spring, along with a generous gift for the brand new gym.

All of the hard work paid off with trips to Disney World and the Baseball-Boardwalk in Orlando.

The Junior High Student Council made great progress this year under the leadership of President Jayme Glusman, Vice-president Kevin Davis, Secretary Ana Maria Castronovo and Treasurer Jill Bazel. We hope that they will be as productive as many go on to the high school council.



None For The Road



The S.A.D.D. organization of American Heritage School was led by President Leslie Stein, Vice-President Lillian Fernandez, Secretary Juanita Cubillos, Treasurer Mike Mendez, and advisor Mr. Segal. Along with 36 members this talented and influential group convinced several students that drinking and driving don't mix.

In the fall, over thirty members attended the countywide SADD conference at Broward Community College in Davie. American Heritage was the only private school that attended.

During the winter, President Leslie Stein represented our school at a national conference in West Palm Beach. This conference featured speeches by famous or prominent people on the subject of drugs and alcohol.

At springtime, the group sponsored SADD week, which was designed to make students aware of the problems and affects of drinking and driving.

SADD finished its third year going strong and attracting more interest.

It's A Small World

The very active Modern Language Club celebrated its 10th anniversary this year. This is one of the busiest clubs our school has to offer, thanks to the guidance of Ms. Carolyn Gonano.

Brett and Jarrett Osborn and Scott Wingerson, along with 35 members, kept busy all year long with the many fund raisers held to raise money for various events.

Bake sales were held all year round to help sponsor the club's adopted orphan. She is six year old Lida Jasmin of Bogota, Columbia. Funds also paid for the National Spanish Exam and part of the traditional "Taco Gonano."

Each month had its own cultural "happening." Members dined at various restaurants and learned to appreciate the fine cuisine of many foreign countries.

The group celebrated Oktoberfest at Bavarian Village. During the month of January they went to Benihana's for Oriental Nite. Students also participated in the Foreign Food Festival, Spanish Nite at Camino Real, and French Nite at Cafe de Paris.

Overall, the 1987-1988 school year proved to be an extremely successful one for this very active and well-fed club!

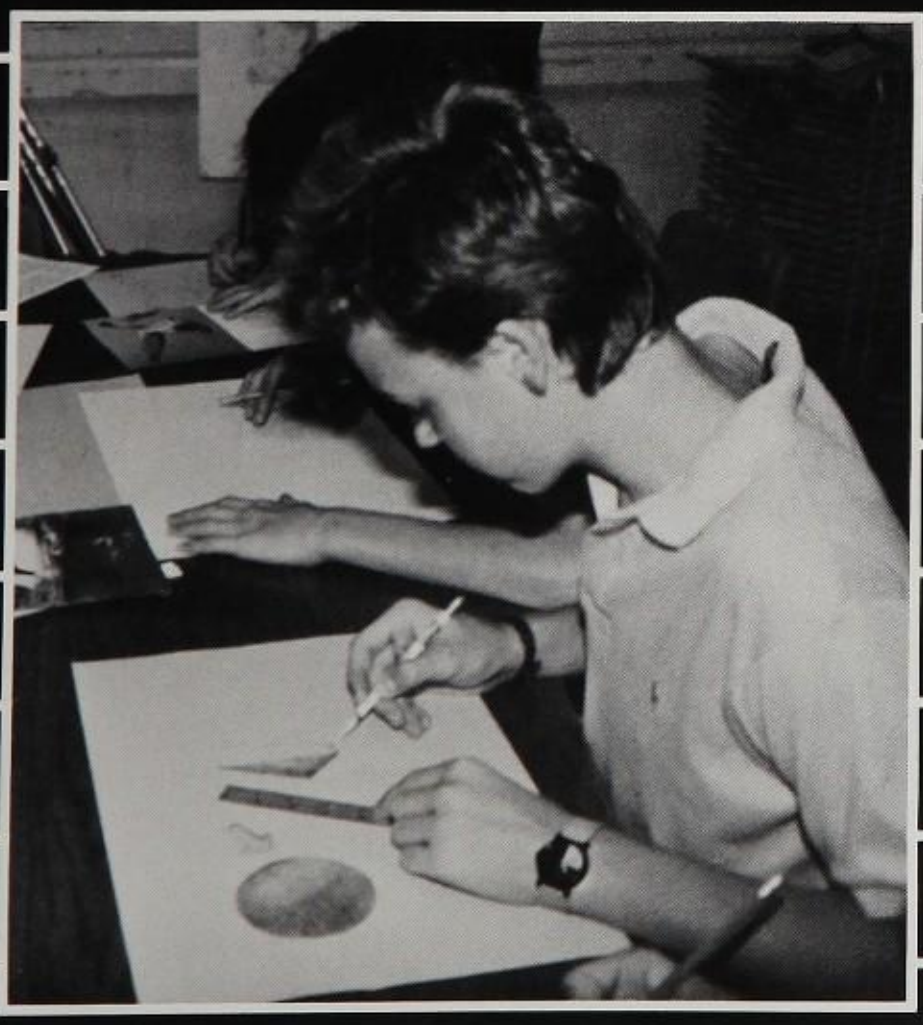
Charging Ahead

Fine Arts Department charged ahead in competitions this school year. Bandmember Fred Posner was the only private school student to make All-County Band. This alto-sax player worked his way through some very difficult music for the All County Band performance on February 19. Other band members made their first steps toward becoming a marching band during football season. Next year the marching band will look sharp in uniforms purchased by the Booster Club. Concerts in December and June and participation in District Solo and Ensemble kept student musicians in the swing of things.

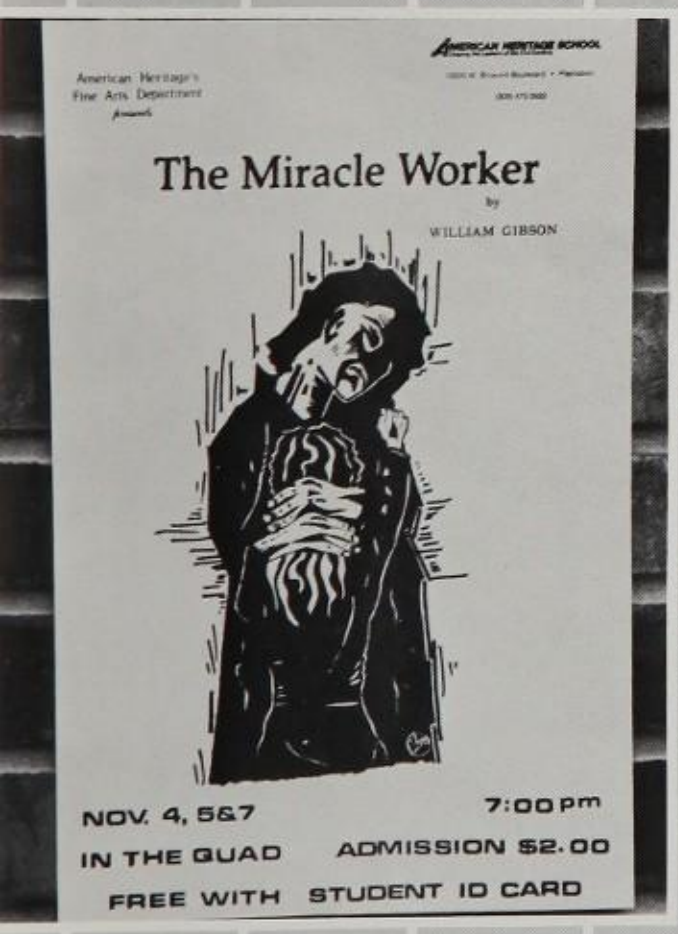
Drama students made their mark at the District Thespian competition held in Lake Worth during February. The presentation of a one act, *This is a Test,* ranked us first ahead of competitors such as Piper, Plantation and Dillard School of Performing Arts. At the same competition Kristine Tata, Mia Tanya Stula, and John Martin won ratings of *superior* for their acting skills. These students and *This is a Test* cast went on to state competition in April. Drama students distinguished themselves in the fall production of the *Miracle Worker* starring Aimee Myers, Susan Vanech, Kristine Tata, and Doug Laurie.

Chorus members had a very busy holiday season with performances at Las Olas, Broward Mall and the new gym. In the spring they bussed to Atlanta for a Concert Festival which included some sightseeing along the way. Many members sang solos for the May Fine Arts Festival and the chorus and band got together for a June concert finale.

A B



Rising Stars

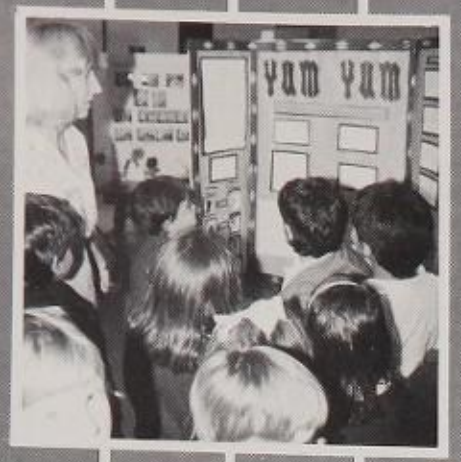


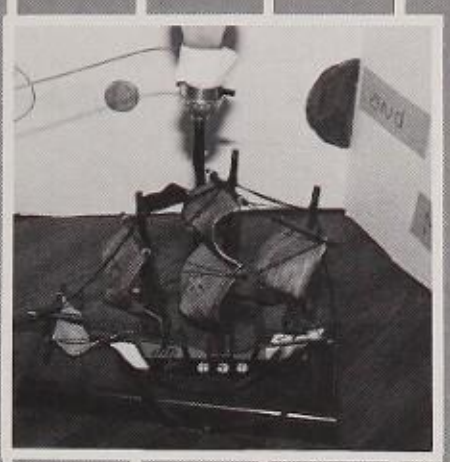
The annual Fine Arts Festival took place on May 14, later than usual. For the first time the gym was available for the Festival's use. A matinee performance of the spring production drew an enthusiastic audience.

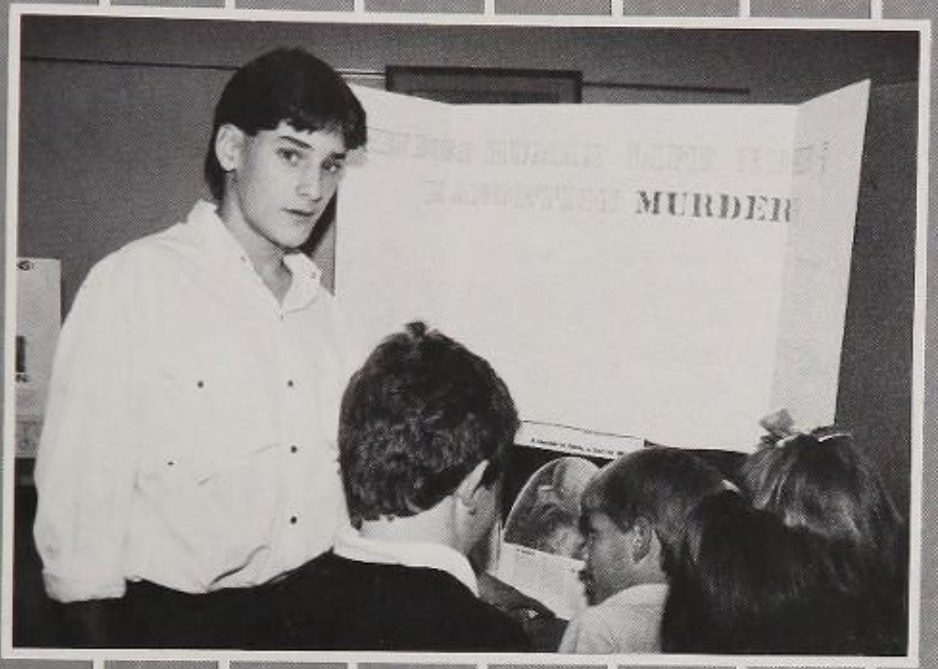
The band and chorus each performed as a group on another stage. Throughout the afternoon talented band and chorus members showed their talents in solo members.

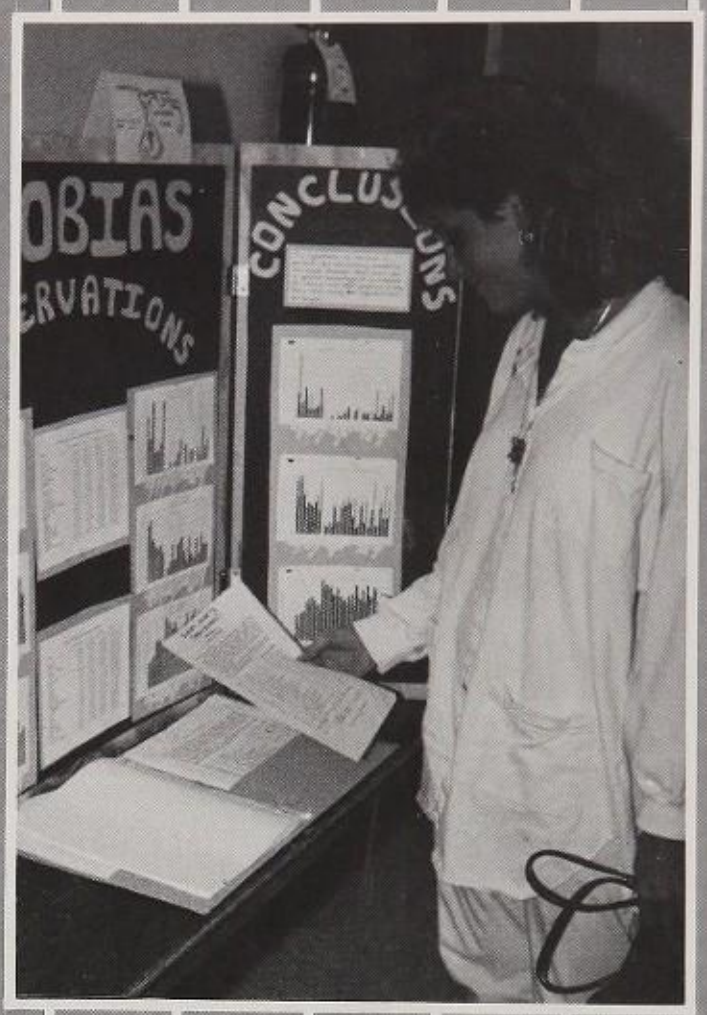
Once again the quad area and the courtyard became settings for student art work. Each upper school art student had their own display which showed each student's individual style. Lower school art work excited the crowds because of the variety of media and the obvious creativity of our younger students. Students demonstrated use of various art materials and younger students worked on a giant mural.

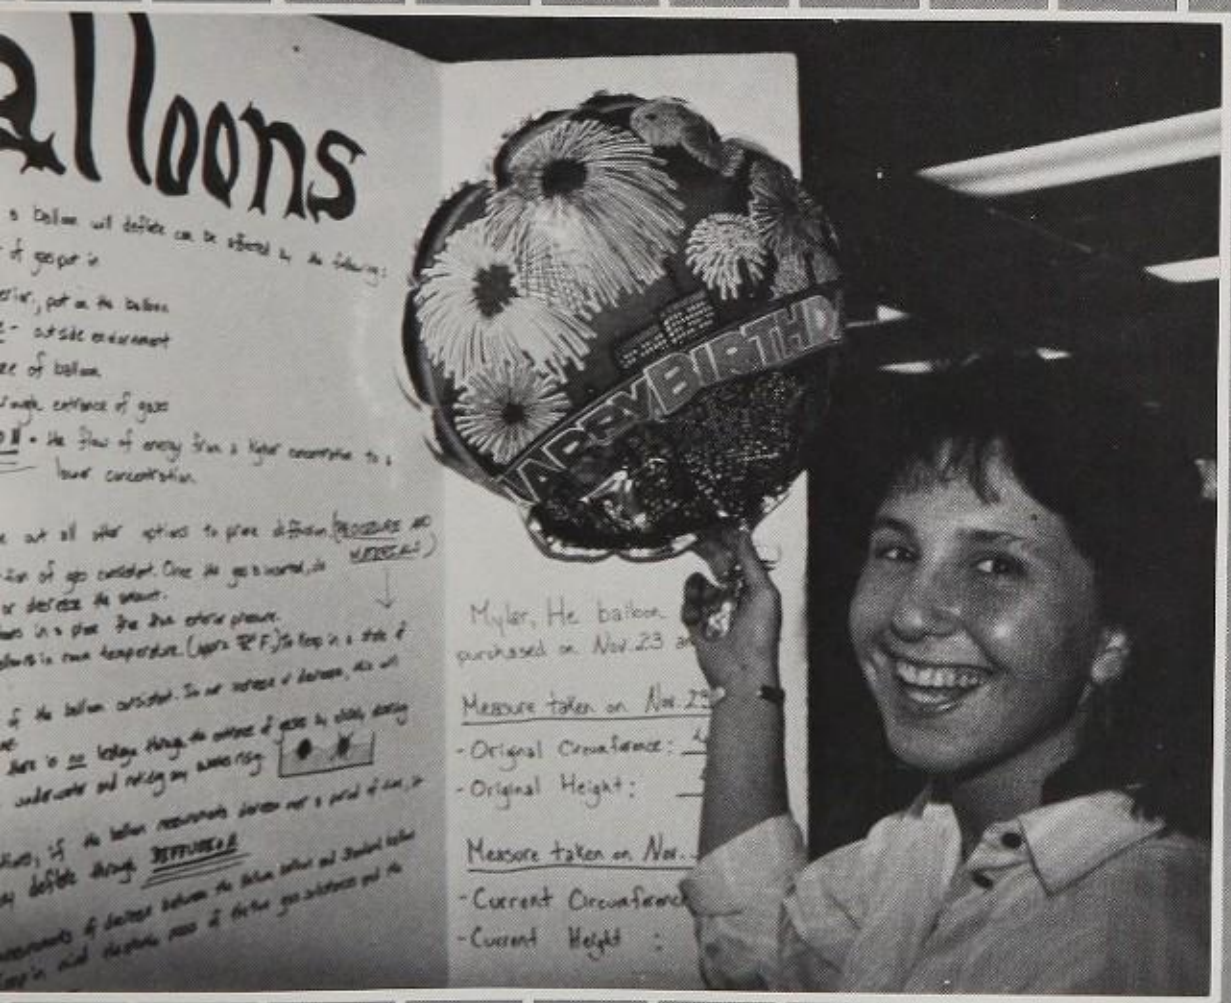
Parents worked the concession stand for the hungry and "artsy" crowd.











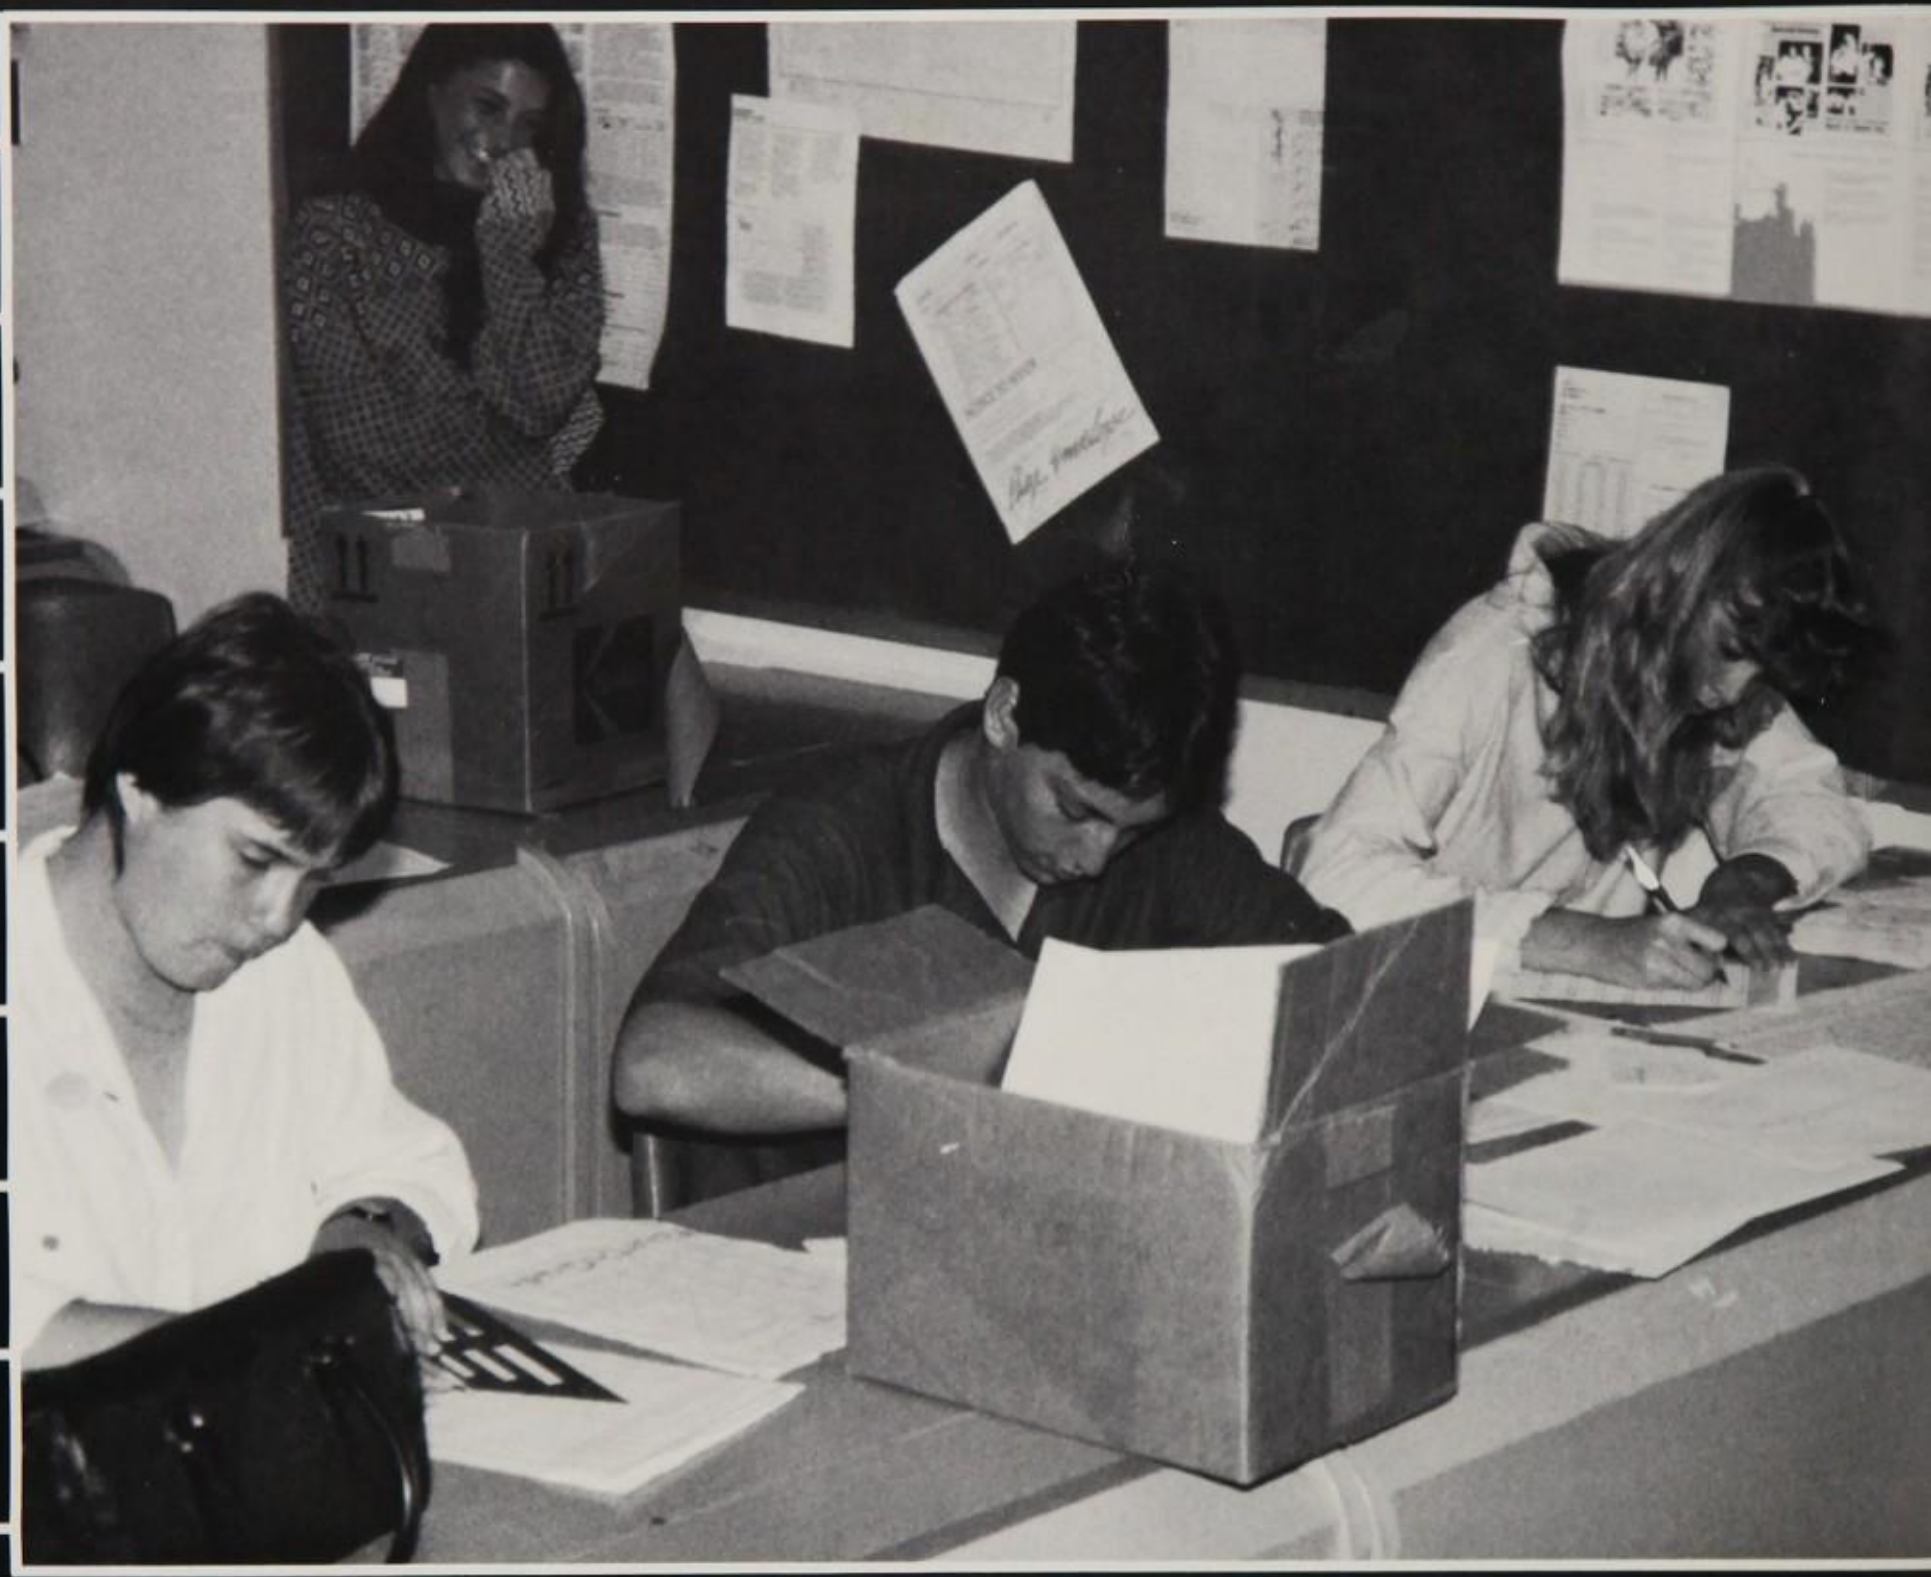
All's Fair

Science Fair challenged students of all grades to think up and follow through with an experiment. Students were given a couple of months to complete a visual project that they displayed in the Quad.

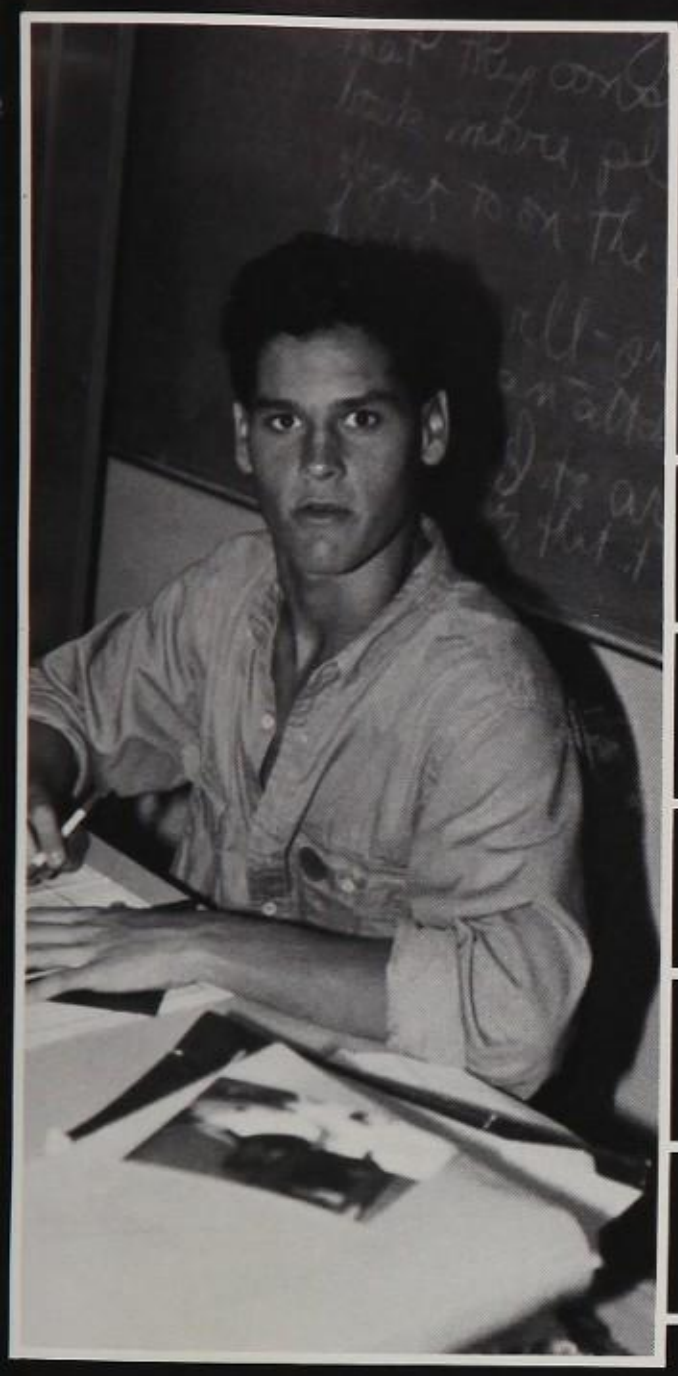
The top projects were entered at the Broward County Fair in February. This year the upper school had five first place winners. Paul Schaeffer, Karen Thompson, Steven Polek, Juanita Cubillos and Nicole Ricci were the top five.

The middle school also had six first place winners. Tony Fedele, John Fackler, Sascha Frey, Tamara Darroux, Todd Kraemer, and Lindsay Nichols were from the middle school.

Each student was very proud of his work, and the annual fair was a good opportunity to give the recognition that one deserves for his efforts.



Picture Perfect, Spotlight



If it weren't for the yearbook gang, *Spotlight* would never have been a success. A lot of time and effort was put into the making of this year's book.

The editor, Scott Wingerson, led the group of twenty-five students. Students were divided up into groups so that each group completed a certain section. The sections were completed with group effort and a lot of team work. Dedicated students worked together and the result was one of the best yearbooks ever.

Ms. Cramer was the driving force that guided and perfected what was being created. Total effort went into the completion of the yearbook as Ms. Cramer's constantly changing opinions forced students to be flexible and to strive for excellence. Ideas were everywhere and putting them on paper took days and days. After the picture layouts were complete, the photographers did their job. Writers finished up with copy material.

Pictures, pictures, and more pictures filled the drawers while layouts filled the cabinets. Hectic were the days and adrenalin ran high when deadlines were approaching. Students learned to work together and everyone was a friend. The yearbook staff compiled a bunch of layouts and photographs; they put them together to form your picture perfect *Spotlight*.

The Week In Review . . .

With the start of Homecoming week students prepared to participate in a full week of spirit raising fun! Classmates joined together as each grade competed to win.

Each day, for a whole week, certain events took place. The winners of these events would accumulate points. The class that had accumulated the most points, at the end of the week, won.

Monday, November 16, Hush Button started the day off. This was when girls, for half the day, were not supposed to talk to the boys. If a girl was fooled into talking to a boy, she then lost her Hush Button to that boy. The same thing happened for the next half of the day except that the boys were not supposed to talk to the girls.

The afternoon events, at 2:30 p.m., took place in the gym. There was soda guzzling, pie eating, and baby food eating. The seniors, for soda guzzling, had Susan Vanech as the winning girl. The boys' winner was from seventh grade. Baby food eating and pie eating were both won by the Junior class.

Sports day was the theme for Tuesday, November 17. The winning outfit was worn by a ninth grader, Mike Kaplan. He had come as a hockey player and looked very authentic. At 2:30, the students walked to the football field to watch the juniors win the first and second rounds of the three-legged race. They also watched the wheel-barrow race. The juniors won the first round, but the seniors won the second round of the race.

Wednesday, American Heritage was invaded by nerds! All day, the rooms were filled with Eugenes and other nerds. Students were not the only nerds. Teachers, like Mrs. Silberman, also dressed up to show off their "nerdiness".

2:30 rolled around and that brought the greased pig contest. Students had to hold the pig for five seconds in order to win. Jody Herrel, from the tenth grade, won the greased pig for the boys. Crissy Ludington, a senior, won the greased pig for the girls.

Clash day started Thursday, November 19. Students wore outfits that did not match; in the worst way that they could. Students ended the day by meeting in the gym to watch as their classmates shaved balloons and tossed eggs. The sophomores came out ahead in both events.

Thursday night, a bonfire was lit. The girls then played Powder Puff football. The freshman class had help as Ms. Cramer was their fellow quarterback. The seniors came out winning in Powder Puff by defeating the Juniors.

Friday, November 20, was Spirit day. Students showed spirit all day by wearing school colors. The winners of the "hall decorating contest", which had been going on all week, were the freshmen. They had decorated a wall in the upstairs hall with the phrase "Little Class that Roars" as their theme.

The trike race and the pie throwing were held outside in the parking lot. The trike race was won by the Sophomore class. Two pies were then thrown. Mr. Hughes and Mr. Segal were the two teachers that got a pie thrown at them. Students had picked them by giving money and putting it in a designated bottle. The teacher that had raised the most money got the pie. This particular year, it happened that two teachers tied.

Friday night, the American Heritage football team defeated Palmer Prep. The Homecoming King and the Queen were announced at half time. The King was Doug Laurie. The Queen was Aimee Myers. Aimee then picked the winner of the BMW. She picked from among the raffle tickets and chose Mr. and Mrs. Rodriguez. After halftime, the football team went on and had a terrific game.

Homecoming Dance was Saturday at Rolling Hills. Students danced and dined till 12:00 p.m. As the lights went down, memories of the past week filled the air and reminded the seniors of how close the year-end really was.

Junior High students participated in a wide range of activities.

Seventh and eighth graders went off on the traditional Washington D.C. trip to better understand our country's history and government. During the May 4-7 trip they viewed historic monuments and buildings, heard lectures and even managed to have some fun. Earlier in the year students had a long day trip to Disneyworld.

Junior High students were more involved than ever with homecoming week and the new Heritage Olympics on Career Day. Seventh grade had the pool all to themselves for a spring party.

Mr. Cherry was a great help planning end of the year activities. Eighth graders made a day trip to Wet and Wild in Orlando. There was a lot of enthusiasm for a semi-formal dance in June. The eighth grade finished up the year among family and friends at a graduation ceremony followed by a short reception.

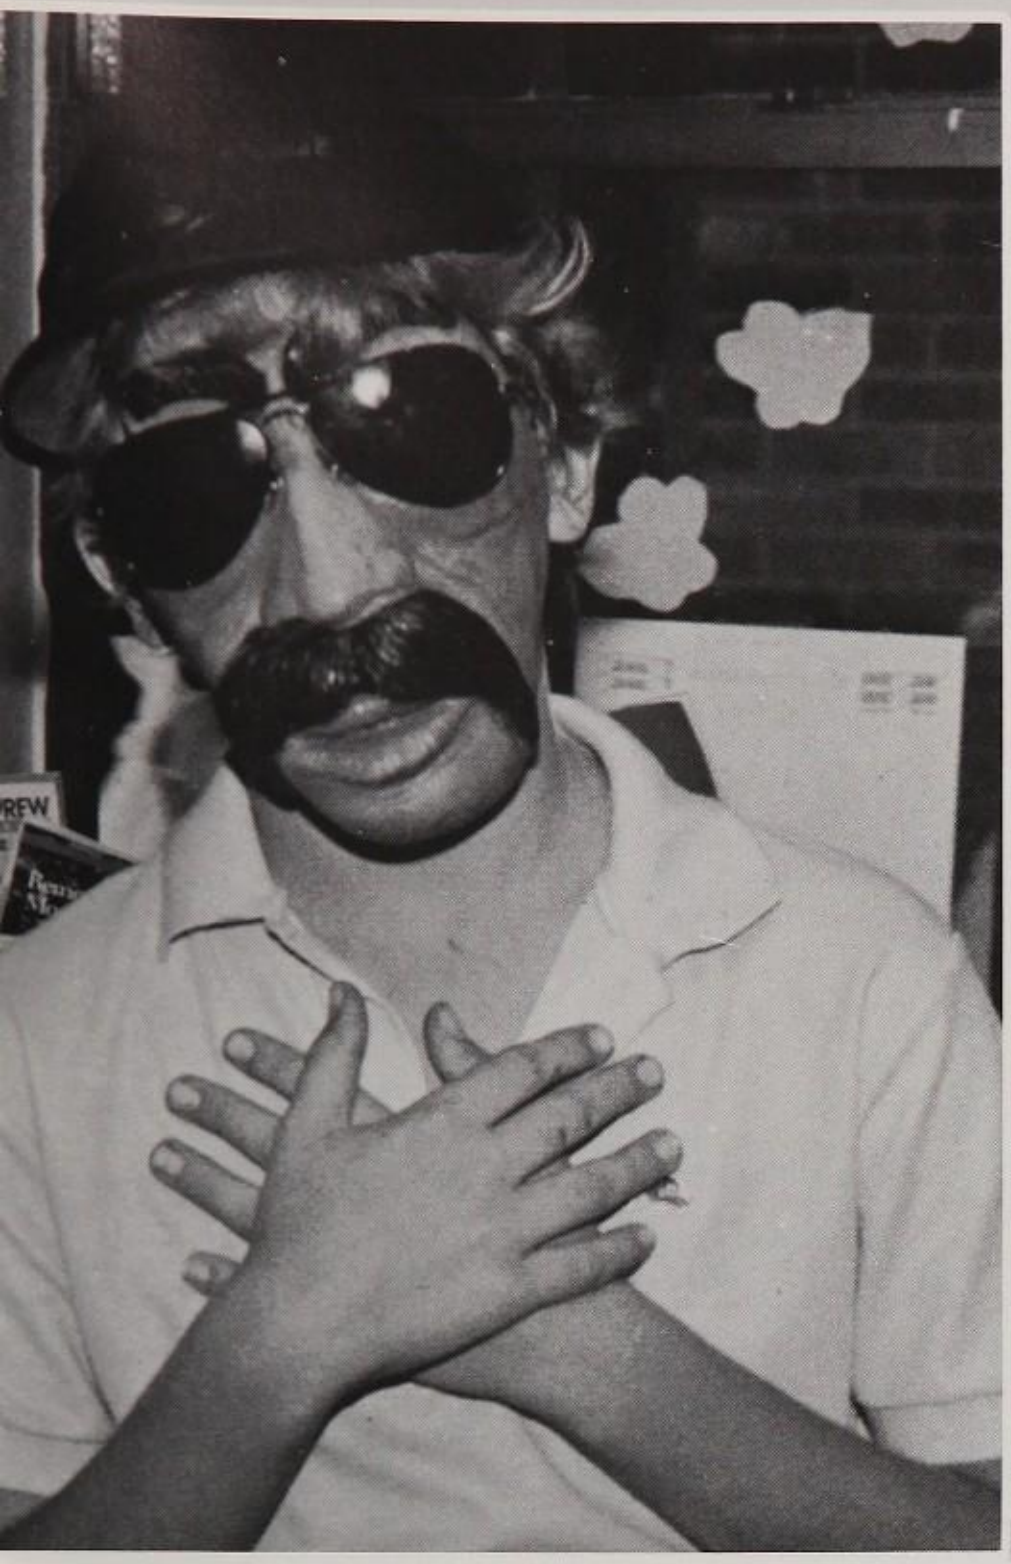
HERITAGE

Lower School Is #1



Here, There, And Everywhere

The lower school made great progress this year. American Heritage scheduled various events and activities that kept everyone in the lower school busy all year.

Pre-Kindergarten, led by Mrs. McManus and Mrs. Rutherford, kicked the year off by arranging the "Tiny Tots Concert." This took place in October.

The kindergarten, with the help of Mrs. Kind, were on many field trips, such as The Art Museum, the Library, Flamingo Gardens, and Parker Playhouse. The kindergarten also had a Mother's Day Tea. The children, with effort and sincerity, made beautiful cards that would have made anyone's day.

The first graders big field trip was to Ocean World, where the children got to see underwater animals.

The second, third, fourth and fifth grades went to see Sleeping Beauty. The second grade also visited the Science Museum, where new discoveries and ideas came to life.

The third and fourth grades went to see a historical play about the forming of our country's Constitution. The children watched as actors acted out "We the People," a play about the forming of our country. In March, the fourth graders went to a circus where everyone had lots of fun.

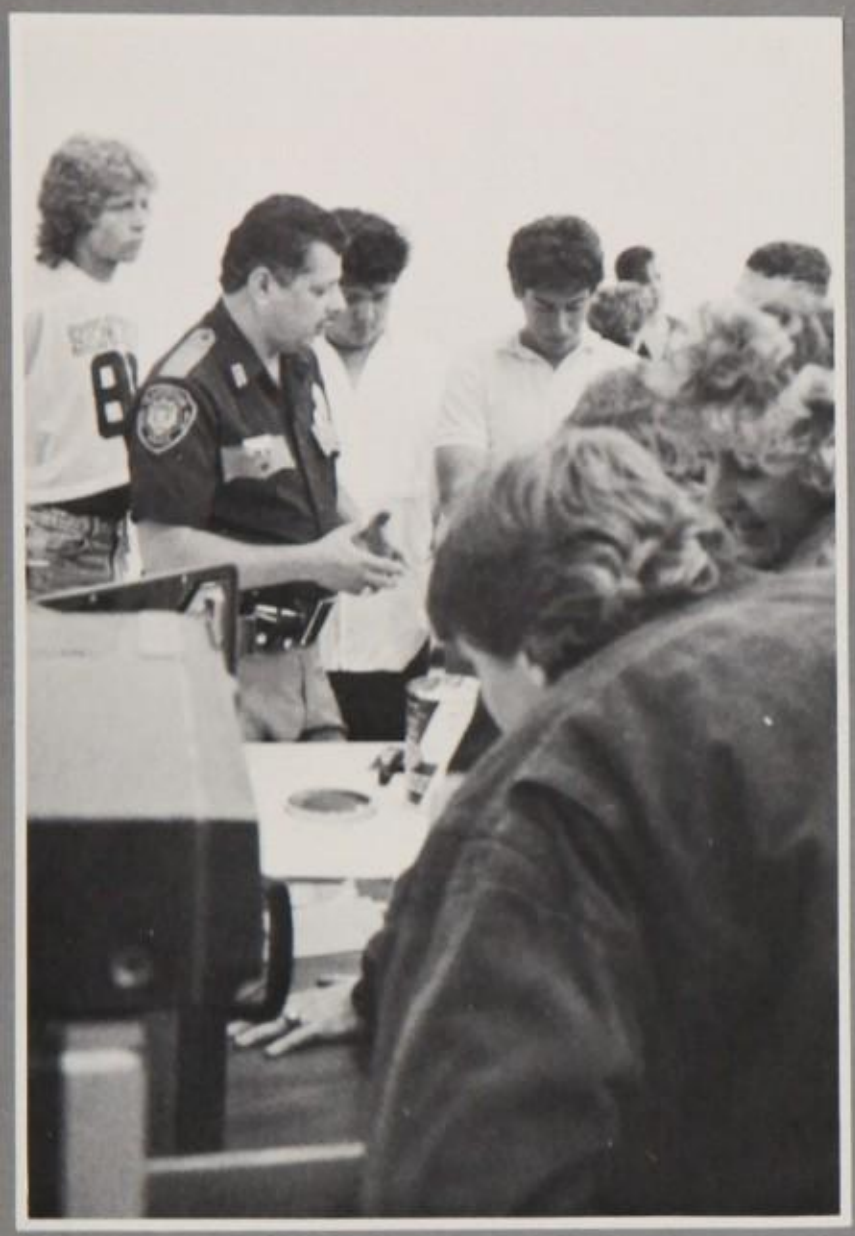
Overnight trips took the students to Disney World and North Carolina. On these longer trips, students became good friends and learned to be close companions.

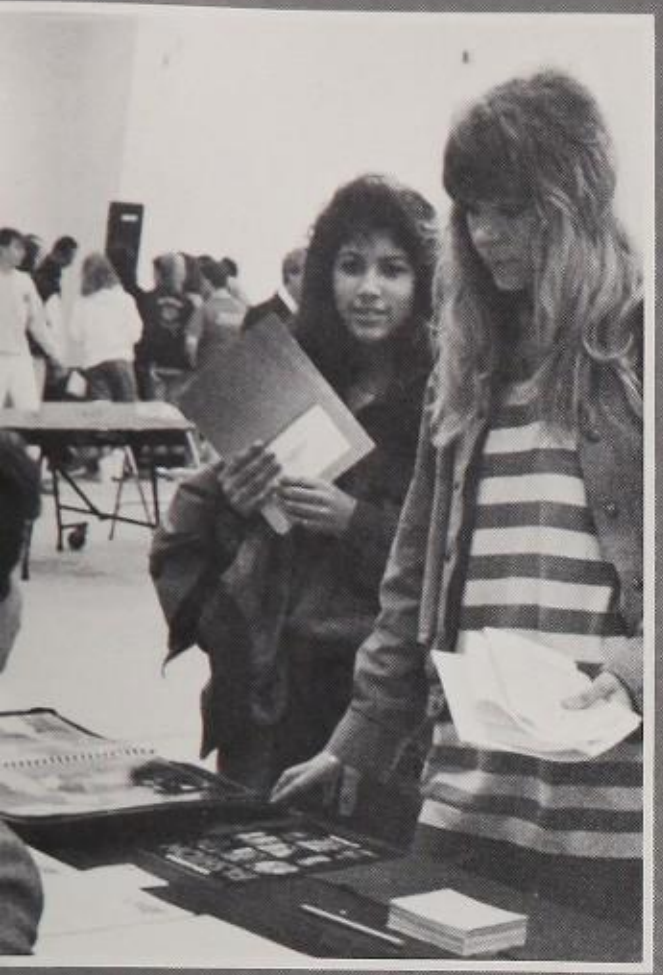
The fifth grade went on a Boston trip, where they toured the J.F.K. Library. They also went to Sea Base, which was definitely a different approach to learning the deep, dark secrets of the sea. Children came home with many stories to tell.

The lower school chorus was kept very busy with the many concerts they performed throughout the year.

These new and exciting experiences are sure to mature and better a rapidly progressing elementary school.

Looking To The Future





On February 17, high school students spent the morning exploring possible future careers. Career day was streamlined this year. A keynote speaker, Mr. Stellman addressed the entire high school about choosing a career that suits the individual's talents and interests. Students later heard a second speaker give tips on college applications.

High school students visited the gym to view exhibits of various careers, and talk to the people in these different fields of work. Among the careers represented were the military forces, radio journalism, modeling, veterinary medicine, and psychology. Students were free to explore careers of their choice.

After filling up with a cookout provided by the Parent's Club, everyone prepared for the first annual Heritage Olympics.

Some of the events featured in the Olympic games were the long jump and the softball throw, which were won by Ageina Doyen for the girls. Senior Cortlandt McGuire set the record long jump for the guys, and David Levin took the softball throw for the guys. All grades 7-12 competed against each other, with the juniors winning a clear first place. The Seniors placed second.

Everyone was entertained by Tony Rumore's colorful metaphors comparing Heritage participants to the Olympic athletes. The entire day was a huge success, and a lot of fun. We are all looking forward to next year's games.

Lights, Camera, Action at Academy

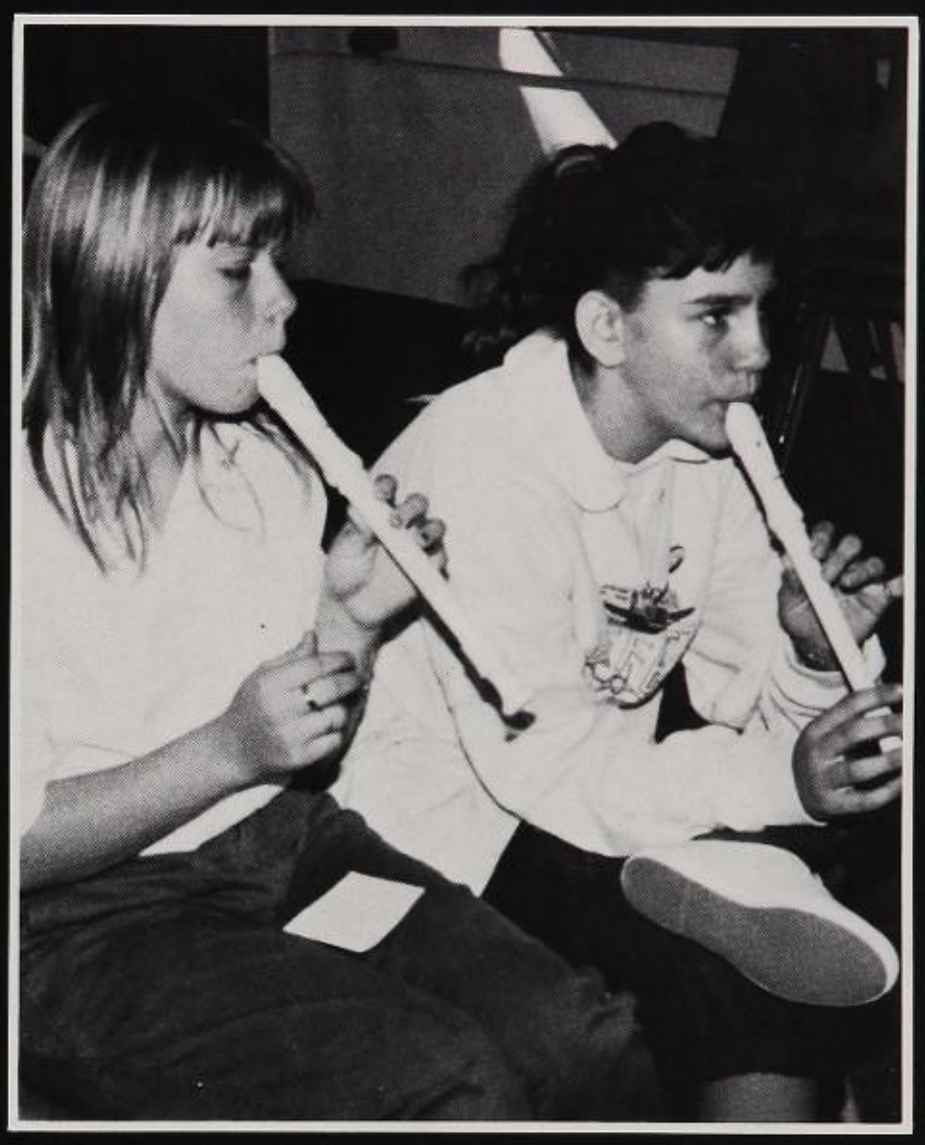
In The Groove And On The Move

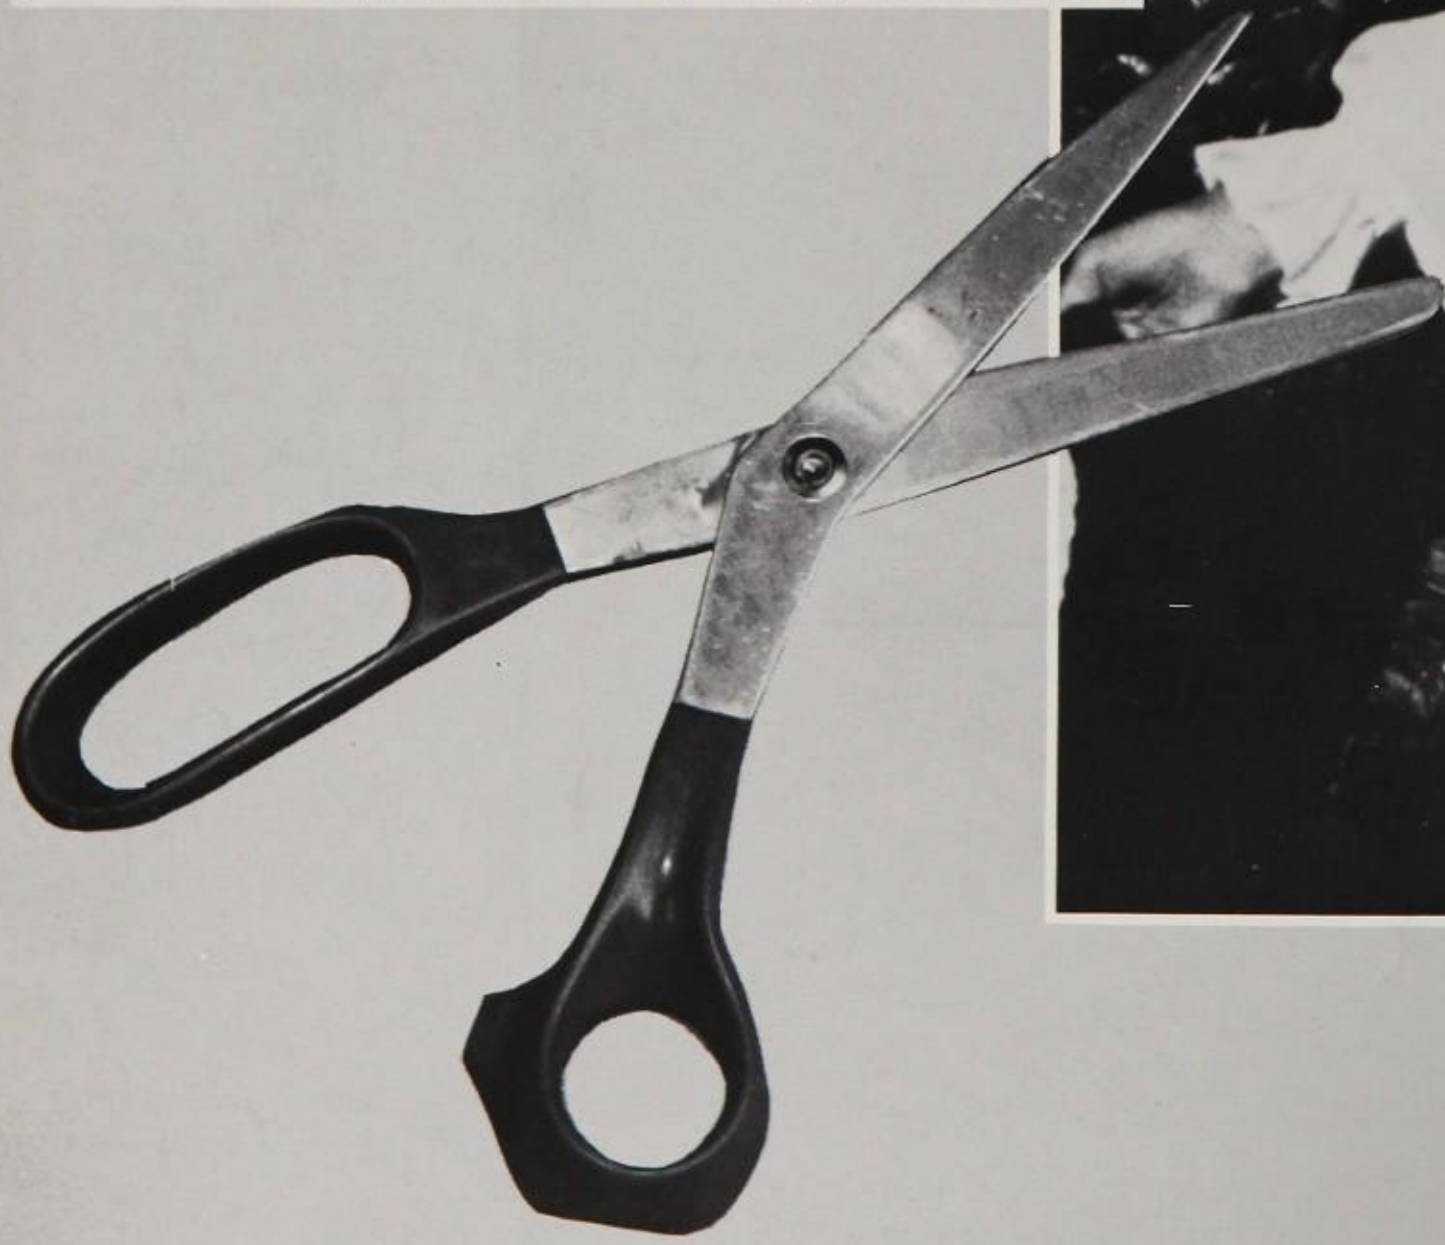
The 1987-1988 school year has been filled with new events and experiences for the American Academy students.

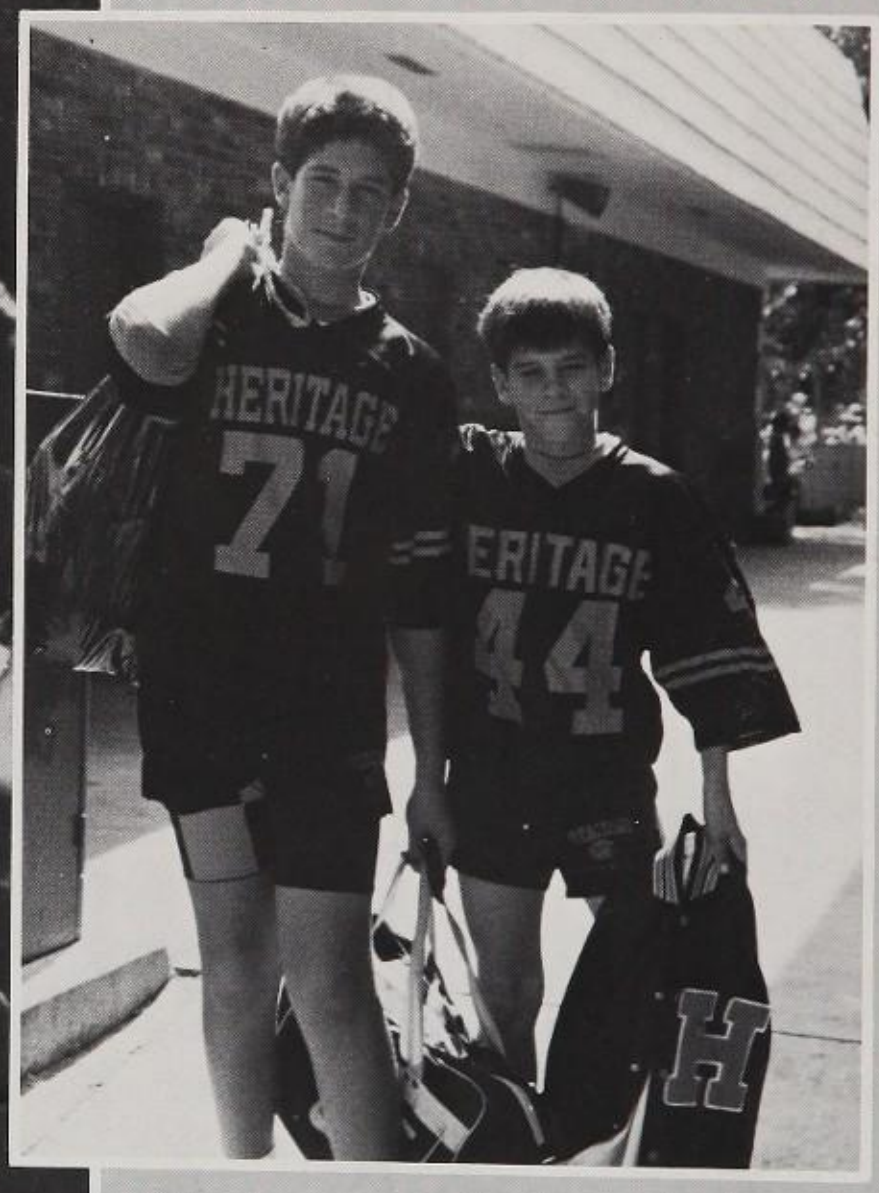
The American Academy is made up of an upper and lower division. A new building gave the students a great experience working in a new environment. Almost all the classes for upper school were held at the Academy building. The students also participated in events with the students at American Heritage. Upper school got to enjoy Homecoming, Career Day, Field Day and numerous other activities. Being able to take some classes at Heritage expanded the elective choices for them.

The lower division students went to the library and had Art and Music once a week at Heritage. Each grade at Academy was taught the basic subjects. A reading lab taught by Mrs. Pierce aided those children who needed extra help. Each pupil was given a weekly evaluation.

It wasn't all work this year. Most teachers gave a party at holidays. Ms. Wilson taught aerobic dance to the fourth and fifth grade girls two times a week. The students also went on some fun yet educational field trips. In celebration of the 200th birthday of the Constitution, the students went to see, "We the People" at Parker Playhouse. They also went to see, "Babes in Toyland" at Baily Concert Hall.







SPORTS

Shutout Streak Started Season

The Patriots began their season with a shut out against Coral Shores High School. The Patriots then continued their shutout streak through three continuous games. At the season's end, the Patriots had outscored their opponents 331 points to 25.

Much deserved recognition went to the team this year with Marc McIntosh being named offensive player of the year in the county, and Richard Koerner named defensive player of the year. Coach Brian Van Gorder received the Coach of the Year award for Broward County 1A schools. Throughout the entire season the team was ranked in the top 10 in the state. At one point we were Number 1; we finished off the season at Number 4.

The heart of the team this year was the seniors. The senior captains, Mark McIntosh, Richard Koerner, Doug Laurie and Marc Shaw enhanced the spirit of the team. The dedication and determination on this team was outstanding. The "little boy" of the team was Oscar Braun, 14 years old and in the eighth grade. With the coaching of Sal Battaglia and the brotherhood of the seniors watching out for him, he did an outstanding job overall.

The season ended with the Homecoming game. The week before we were defeated by Marathon which ended our chance for a District Championship. Spirits were down and everybody knew the game on Friday would be the seniors' last. But with the pep of the cheerleaders and organization of Student Council, Homecoming Week proved to be a great success. We defeated Palmer Prep. for a great Homecoming victory.

Seniors hung up their cleats and pads but kept memories which they will always cherish.

Tradition, Pride, Success

VARSITY FOOTBALL

The 1987 Fall Sports Banquet was a great success. The evening started with a formal dinner. Students and parents listened as each coach praised team members and highlighted his teams accomplishments. The teams honored at the banquet were: Volleyball, Swimming, Cross Country, Drill Team, and Football (Both J.V. and Varsity).

Coaches awarded trophies to outstanding players at the fall banquet. In Cross Country, Courtlandt McQuire and Leslie Stein received awards for being most valuable. Varsity football awarded Marc Shaw "Patriot of the Year." Mark McIntosh was named offensive player of the year while Sandro Mayo was defensive player of the year. Volleyball's most valuable player was Denise Chesley. Swimming awarded Scott Wingerson most valuable. He and three other swimming team mates received plaques for qualifying for state.

The Sports Banquet was a successful celebration of Patriot spirit and progress, commending students and their accomplishments.

Progress Recognized

Sports Banquet

The 1987-88 Varsity Cheerleading squad, under the direction of Ms. Kay Kester, cheered the Patriot teams through a victorious season. Practices started early in the summer. The early start helped to give the squad a new look.

During the summer the cheerleaders attended a cheerleading camp. They learned dances, chants and cheers in a sharp style that was new to the program. The camp in Wildwood, Florida trained students through hours of dance classes, chant and cheering classes. At the end of each day, the squads were evaluated on the routines they had learned. At the end of camp, the Heritage Cheerleaders were given an award for squad achievement.

All members of the squad helped paint banners and posters to boost spirits. They also held a bake sale during orientation days and other days throughout the year.

Cheerleaders' overwhelming enthusiasm at football and basketball games gave new meaning to Patriot Pride.

Drill Team Dazzled

This year, the Patriot football game half times were dazzled by the new drill team; "The Patriot All-Stars". Guided by their advisor, Kay Kester, and fellow captain, Aegina Doyen, The All-Stars entertained Patriot fans during half times.

Ms. Kester started the drill team practices during the summer. There were drill team clinics that trained students. Students learned group dances that went to steps with current "pop" songs. Ms. Kay Kester choreographed the dances with help from Aegina Doyen.

The Leading Patriot All-Stars included two seniors: Crissy Ludington, and Leslie Stein. Many other students, of many ages made up the team.

Even though the Drill Team consisted of a variety of students, unity and team friendship combined to form a unique and dazzling form of entertainment.

The J.V. football team was coached by two first year coaches, Mike Smith and George Anagnostakis. The season ended with a 2-5 record. In the J.V.'s season opener to Dade Christian, the Patriots lost 50-0. In the second game the defense improved and the Patriots lost to Hollywood Christian by 14. The team then lost to Chaminade and then to Northwestern. In the final game of the season, the Patriots suffered their final loss to Marathon 9-0.

The two games that the J.V. won were over Miami Country Day 21-0, and over St. Andrew's 20-0.

In the Miami Country Day game, Scott Lin rushed for three touchdowns and David Kronen kicked a field goal. The offense was led by quarterbacks Scott Moss and Loyd Tabb. Scott Lin gained most of the yards on the ground for the Patriots. The offensive line (the Mini-Mules) were undersized but were very agile and quick. Jon (Stonehands) Sayfie caught one touchdown pass from Scott Moss in the St. Andrews game.

The Patriots hope for a better season next year with a mostly ninth grade team.

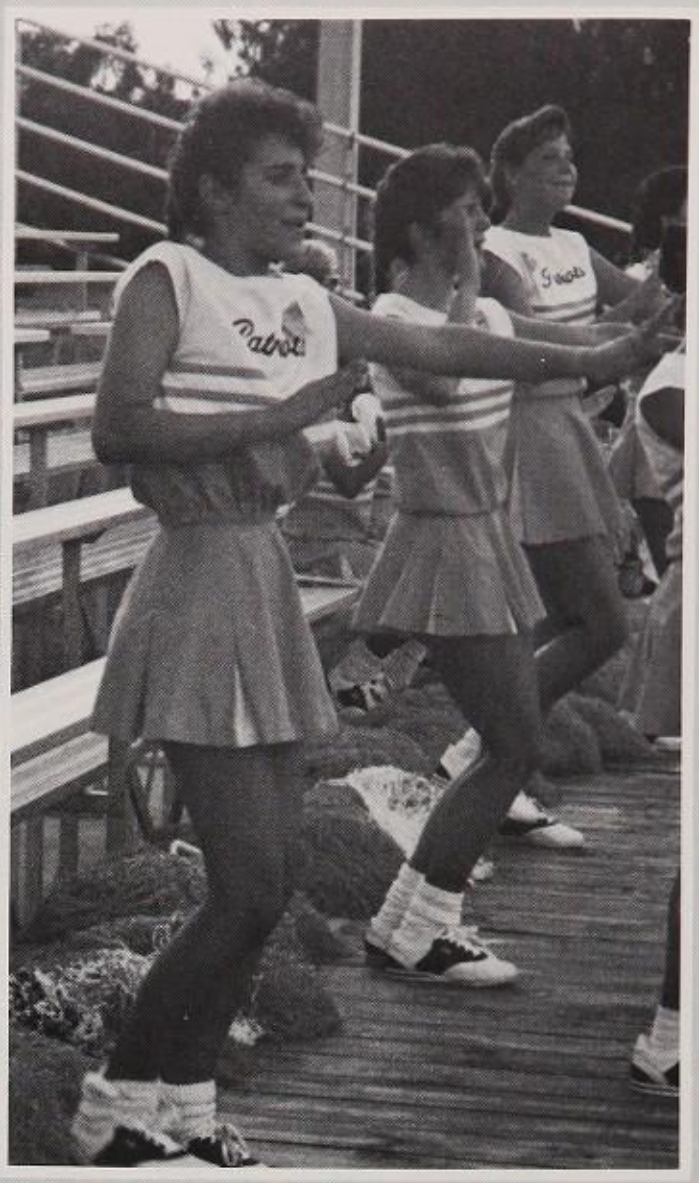
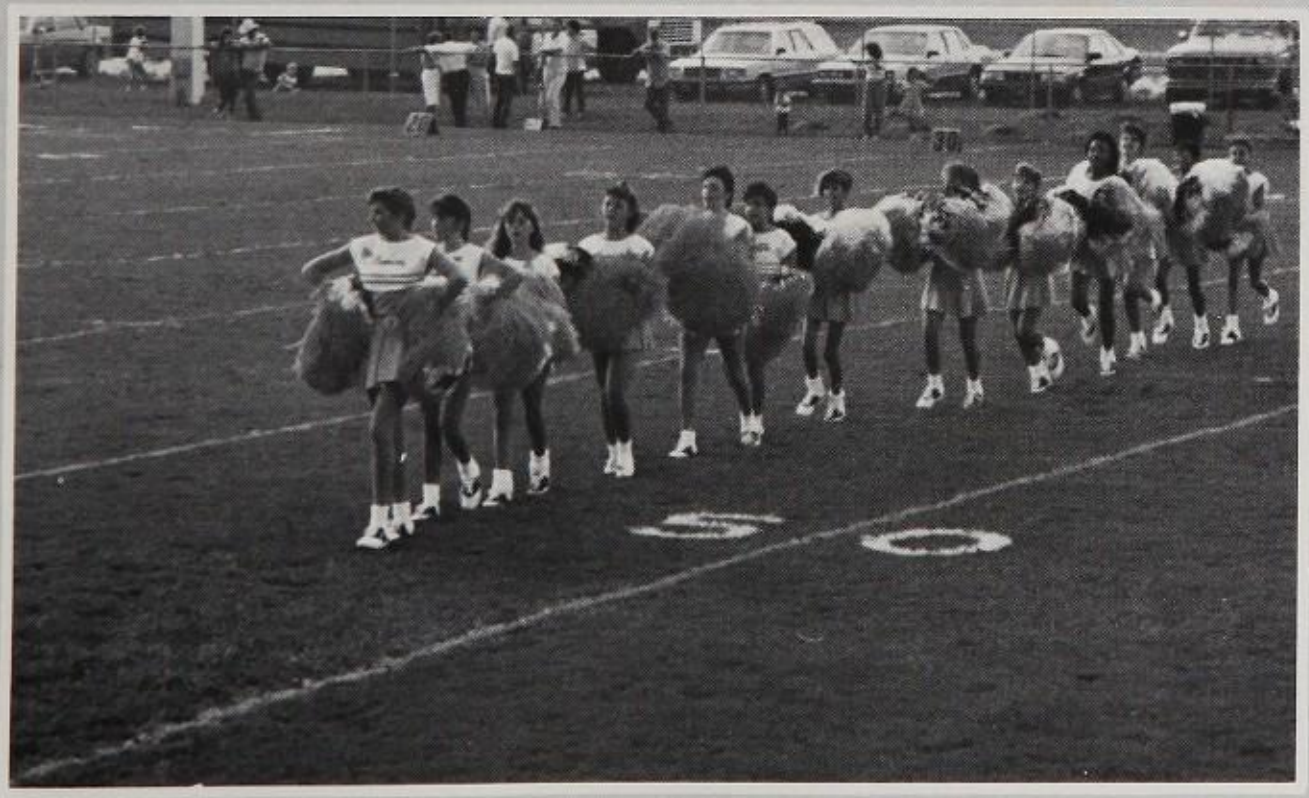
JV Brings Out The Best



This year the JV squad was better than ever. With improved skill and techniques, they raised the spirits of the teams' athletes. Their participation at cheerleading camp this summer rounded out an already superior squad.



Ms. Kester coached the squad again this year. Tabitha Croke, a freshman, turned out to be a very demanding and respected captain. Between the two of them the JV squad created a lot of original cheers.

The team enjoyed being together, and because of that they had a great year. Their friendliness and team spirit showed promise of progressing to a better future.

Soccer Sparks The Spirit

The Varsity Soccer team ended the season with an 11-7-1 record overall. Among the wins were Pine Crest 2-0, and Chaminade 1-0, in the district finals.

A good team always starts with good defense. If the other team can't score, they can't win. The defense was anchored by Robert Hines, a senior and co-captain, as sweeper with strong support from stopper Brian Lewis and outside fullbacks Mike Mendez and Brandon Malloy. David "Little Man" Kronen controlled the midfield and was flanked by Gustavo Trujillo and Jim Currie.

In order to win, you must have good goal scorers. Co-captain Rodney Nilson headed the offense with 24 goals and 6 assists. He was backed by Brett Osborn, Roberto DeArmas, and Jorge "Nacho" Rodriguez. Brett Osborne claimed 6 goals and Roberto and Jorge finished with 4 a piece.

Coach Smith said, "This was a senior based team that came together and won due to a serious, team oriented effort. Everyone on the team contributed to the success that was attained."

The girls Varsity Soccer team experienced another winning season, lead by all-county standout Jennifer Teti. Jen was assisted in the scoring column by Rina Parente, Adriana Rodriguez, and senior inspiration, Julie Cogan. Francine Napolitano did a commendable job as a first year goal keep. Leslie Stein provided leadership as a returning senior.

Coach Brant Mosher built a fine team around many young players. They were marked 5th in the county for all Broward schools, and played a fine game against 3-A Plantation High School where they lost in districts.

This season was a show of progress for the team that began only two years ago. Their first season was a learning year; last season was a building year. This season all of their hard work paid off with the taste of victory. Best of luck to next year's team which, under the leadership of Jen Teti and Juanita Cubillos, should go places.

The J.V. Soccer team, coached by Mr. Don Ullman, had a successful season. The team went undefeated for their first ten games.

Anchored by a strong defense, they won many games by one goal. The defense chalked up seven shutouts in their twelve game season.

The midfield and offense showed they could do it when they scored three and four goals a game.

Included in their wins were rivals St. Andrews. Pine Crest, and St. Thomas. The J.V. Patriots ended the season with a 9-1-2 record, great job!

Striding To Perfection

The Cross Country teams showed a great deal of progress. The boys' team improved immensely and ended the year by being third in the district. The new girls' team worked hard and finished second in the district.

During the season, the teams traveled to Titusville under the supervision of Coach Steve Christian. The teams traveled for four hours and raced in temperatures that were in the fifties.

The boys ran three miles and finished eleventh in the state. The girls ran two miles and finished eighth in the state. Driving effort and good coaching helped runners improve their times by at least two minutes.

This year proved to be competitive and rewarding. Next year promises to be even more so. Watch as next year's teams race to be number one.

Senior Dribble

The Boys Varsity basketball team had an exciting season. Coach Segal had fun coaching this group of boys. The team consisted mostly of seniors, including Pat Porter and Sean Downes who came to us from Coral Springs High School. The youngest player, freshman, Lance Smith, was a great asset with his famous dunk shot technique. This experienced group of boys pulled its record to 14-8.

The boys' best and most important game was against Hollywood Christian. Sean Downes scored a 3 pointer, winning the game and putting the Patriots in the number one seat for the district tournament.

There will be eight seniors graduating this year leaving only two returning players. Next year's varsity team will bring up boys from junior varsity. The varsity team played well this season under Coach Segal's supervision.

This was the first varsity basketball team to play in the new gymnasium. That made it an exciting season. Students and parent enthusiasm for the games added even more excitement.

VARSITY BASKETBALL

Hooped Skirts Skirt Hoops

The Girls Varsity Basketball team got off to a slow, but sure start. The first portion of the season, they were an all rookie team and lacked the experience they needed to be champions. The team was lead by sophomores, Amy Mechesney and Daneen Fredrick who were also the leading scorers. Senior leadership came from Denise Chesley and Susan Vanech. Sophomore Lisa Richardson was the leading rebounder, while other sophomores Carolina Martin and Jeanine Bogart took their turns at guard. As the soccer season ended, the team was joined by Jennifer Teti, Leslie Stein, Juanita Cubillos, and Katie Bowen. They proved helpful as the team won its first game of the season against Palmer Prep.

Coach Steve Christian remained hopeful for a better season next year with a more experienced team.

Some new stars were born this year as Junior High and Junior Varsity players absorbed advice from new coaches. Both teams showed great progress as Coach Jerry Croke managed the Junior High team and Coach Mike Smith showed the way for J.V.

Oscar Braun ended a real spell-binder with a two pointer just as the buzzer went off to end a Junior High game with University School.

Sophomores led the way on the J.V. squad. Scott Hillgardner, Pat Espinar and Oliver James all produced some memorable moments on the court. Scott took the rebounds while Oliver did the ball handling.

Both teams ended up with a winning season and satisfaction with a job well done.

A Splashy Season

The year's sports began with swimming competitions and ended with water polo. Coach Dennis Damron taught the swimmers well and they pursued their goals to districts. The most valuable swimmer was Scott Wingerson last season and the most improved swimmer was Fred Posner. The most valuable girl swimmer was Lindsay Nichols.

During the meets Brett Osborn and Kirk Wingerson represented the Heritage diving team. The boy swimmers had a great season with their record at 5-1. Some of the boys did so well they qualified for state. Scott Wingerson, Aaron Fowler, Tony Bechalany, and Matt Parnass qualified for four hundred freestyle relay. The boys team finished eighth in district competition.

The 1987 girls volleyball team had a rebuilding year with Mrs. Burch as the new coach. The team sharpened their skills and showed constant improvement. At the start of the season team members were young and inexperienced. The only returning players were senior, Denise Chesley, and junior, Katie Bowen. Newcomers were sophomores Amy Mechesney, Tori Velle and Lori Finkel. Junior high was represented by Karne Lazaro, Francine Napolitano and Annie Suskatowski.

All of the girls learned the basic skills of volleyball, learning much from the experienced players. The basic skills of bumping, serving and team cooperation were stressed. Next year the team will be ready for setting and spiking. First year players show a strong amount of enthusiasm for next season.

The boys Varsity baseball team had a seasoned group of boys this year. With ten Seniors, the boys looked forward to a great season. The many returning players included pitchers Todd Fitz-Gerald and David Levin. Other assets to the team were seniors Ron D'Agostino and Brian Harrison.

Coaching this team of boys was Woody Smith, who had coached most of the boys in the past. Assisting him was Coach Mike Higgins.

The girls varsity softball had a fun season. With new coach Mike Smith. Coach Smith taught the team new techniques in hitting and fielding. With a new pitcher, since Michele McLeod graduated, the girls had to play even harder. Returning players were shortstop Jennifer Teti, Rina Parente, Juanita Cubillos.

The only returning senior was Denise Chesley, who played a variety of positions.

With losing only one Senior, the team looks forward to next season.

— a new gym gave new excitement to basketball and volleyball teams
— a new snack bar privided "munchies"
— cross country ran all the way to state
— the varsity football team outscored opponents 330-25
— the student lounge came and went
— homecoming week was real high school
— swim team qualified for state
— drama students scored huge successes with *Miracle Worker* and *You Can't Take It With You*
— seniors went off campus EVERY DAY
— seniors outmaneuvered everybody else at Powder Puff
— Academy students participated in more after school activities than ever
— juniors received class rings during the first ever evening ceremony
— *This is a Test* won thespian regional competition and went on to state
— girls basketball ended county losing streak
— first Heritage Olympics followed a streamlined Career Day
— Language Honor Societies inducted more members than ever
— all lower school students starred in the World's Largest Concert
— *By Students* kept students posted once a week, second semester
— Heritage graduated its largest senior class ever

A TIME FOR

As the final bell rings to end the 1987-88 school year, pass through the halls of American Heritage and listen to the sounds of students leaving for summer vacation or in the case of the seniors, students who are leaving tof ace the real world. Memories (good and bad, but mostly good) will enter your mind all at once like the cars that fill Broward Blvd. at the end of the day.

There is something (maybe something they put in the food) that makes you comfortable here. Is it pride? Is it spirit? Is it friendship? Whatever it is, it will always be a part of you and your memories.

As you leaf through this book, the word PROGRESS should come to mind. Progress is not limited to new buildings. Every single one of us has progressed in some way. This year we have learned new facts, made new friends, played more games, and learned that we can't have everything (our lockers aren't big enough). We've grown. Our hearts and our minds hold our new wisdom and those memories.

Everyone wants a clean pool. But nobody wants to do the cleaning. That's why we invented the best automatic pool cleaner in the world. Kreepy Krauly. It works with your pool's own filtration system. There are no pumps to buy or special plumbing to install. It's really automatic, too! Unlike other "so called" automatic pool cleaners, there are no extra bags to empty, wheels to jam, diaphragms to replace or gears to break. Let us show you Kreepy Krauly today! For the name of the dealer nearest you call 1-800-222-6841.

THE KREEPY KRAULY® SYSTEM

The best pool-cleaning system in the world. Period.

DEAR DEBBIE,

YOU WILL BE ON YOUR OWN SOON — AWAY AT COLLEGE. WE WANT YOU TO TRY AND REMEMBER THESE FEW THINGS:

1. YOUR ROOM AT HOME WILL NO LONGER LOOK THE SAME. IT WILL BE CLEAN!!!
2. SANDY WILL MISS YOU. (MEOW)
3. WHEN YOU NEED MONEY, DON'T CALL COLLECT.
4. WE'RE PROUD OF YOU! WE'LL MISS YOU & WE LOVE YOU!

LOVE,
DAD, PATTY, SHELLY, ROBIN & SANDY

CONGRATULATIONS TO THE CLASS OF

88

MARK,
You have come a long way, son, but your journey is only beginning. As you start another chapter in your life may it bring you nothing but joy, happiness, good health and, always love.

You have given so much pleasure to us and everyone around you. Always giving your all and trying harder than most. We only hope life returns to you what you so easily give. We wish you the very best always. Good luck in whatever you do and may God surround you with love forever.

Love, Mom & Dad

Mark, you are one special person. May great things come to you as you deserve the very best. Hang in there . . .

Love You,
Price, Jr.

Mark, you have conquered the first stepping stone in one of the many adventures you will encounter throughout your life . . . AND ALWAYS REMEMBER, "LEAP BEFORE YOU LOOK"

Love,
Kathy

Mark. Well, Mark, you finally graduated. You are a good kid and even though you have been through a lot you still managed to hang in there and make the grades and keep yourself together. I am glad that you did good and made it through school. I stayed down here to watch you succeed and you did. You showed me a lot by hanging tough and I learned from it. Life is a ball and it will always roll if you keep striving for what you want. Go get what you want from life and nothing else. I hope you get to play football in college because you deserve it. Even though I did not get to finish my last year playing football with you I still enjoyed watching you play. Life is rough so be tough and good things will happen. You deserve whatever life brings you and a little more.

I am proud of you, "LITTLE STUD"

Love Always,
Your brother, Byron

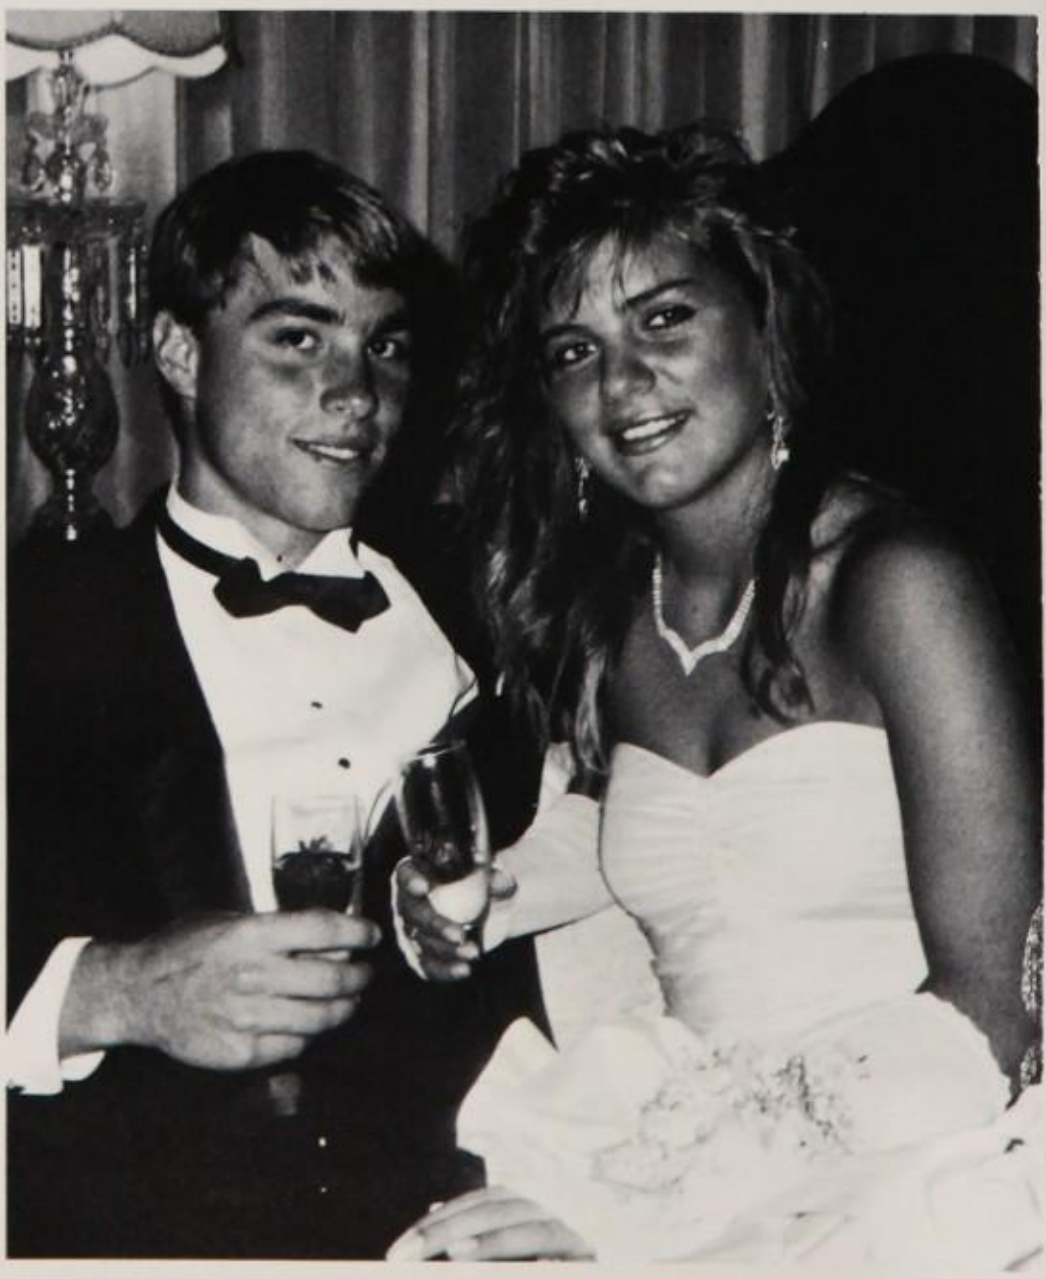
Mark,

In 4 years you have given me the most incredible memories, love, and a better understanding of life. You are my first love, my best friend, and the only one who ever stole my heart away! I don't want to say goodbye and I hope the future is ours always. Only time will tell if our love is meant to be . . . Thanks for everything, honey! I love you with all my heart . . .

Forever,
Mia Tanya



To all my friends I have had over the years, Thank You! . . . Richard, remember the good, forget the bad, Sept. 27, 1986, Homecoming '86 '87, Disney World, Busch Gardens, beach, log cabins, the "L" word, rings, Mike -n- Mags, all my love and respect . . . Myra, eggs, summer, "86", Run DMC, Sean, Dan, July 4, 86 accidents happen, Bubba and Jemo forever, Good Luck! . . . Eyvonne, that infamous weekend!?!? . . . Aimee, 7, 8, 9, 10, 11, 12, Ozark, X-mas Wonder Woman, and Nick, The Crew, Freak my brain, Coach Covey, Tallahassee, Dillard, Thespians, New Year's Eve '86, you are a very special person, Thanx for always being there . . . Ron, Lions tigers and bears, Oh MY!!, Spanish buddies, Thank You! . . . Belinda my little sis, good luck through high school, have fun, Cabin 24, summer "87", I love you! . . . Oscar, forever my son, you're a great kid, I will miss you so much! . . . Remember our deal, good luck with everything you do, be good and remember nobody's perfect!, I will always love you, Mom . . . Julie, thanx for being there, you could always make me smile, carnivals, Prom "87". Quick, change your phone number, lock the liquor cabinet, never forget our great times . . . Kim, let's take a road trip, Gainesville, Stetson, where else?, Sean who?, beach, camaros rule, cheerleading? what cheerleading? Good luck always, stay in touch . . . Mia Tanya, we have had our differences but you will always be special; remember: cheerleading, cross country, soccer, the races, Adam Ant concert, Homecoming ;85, yellow carnations, beach, but most of all "Our Sweet Sixteen"; Good luck always, and keep the memories, but always remember "That's what friends are for!" Love, Cristopher . . . Mark, Thanx for all your special talks, Byron, Dave, Richard, and who else? Red Dawn, speeches, the races, and all my love . . . To my family, I can only say, "Thank You", Barbara, you are all I could ask for in a sister, we have some great memories: our bedroom, your wedding, summer vacation, late night talks, special times, but most of all our friendship! . . . Skeeter, well big brother I finally made it! thanx for always teaching me, you're the best! Our many years together have always been special to me, I hate to see them end. I hope we will always be close. I LOVE YOU!!! . . . Sandro, we have had our special times and these I'll never forget, Miami trip, the lake, John's house, friendly slap, Boston trip, cheating, all the secrets, and our hidden love . . . Sean, what happened????????? . . . To all the soccer team, thanx for the memories, good luck in the future . . . Coach Moser, Thank you so much for all you have done to help me when I needed it most! Keep in touch, Love, #7 . . . To all my IPS buddies, thanx for the fun!?!? . . . Bob, should I get a bigger pair of boots?, Could you please find just one girlfriend and please keep me out of the middle of it?? Good luck in the Army . . . Mike, no matter what happens I'll always be here! . . . Nick, I'm writing this early but by the time it's in print I hope we're still together, you have taught me so much already, I know it will work. No I'm not reading the wrong book, and no, I don't have you confused with someone else. December 27, 1987. Soccer, ice games, lime sherbert, insane, New Year's Eve '87, Spice's house, and many more to come. I love you and only you in that special way . . . Jamie, even though you weren't here I thought of you often. We had some great times and I love you for them. Remember I'm always close by when you need me! Barns, horses, Choco Bar's, Daniel's cheeks, sneaking out, roller skating, Dallas house, Eddie, Disney World, (Def Leppard) Billy Small (playdough), soccer, charms, Africa summer, ATC riding, AHS school, Christmas presents, Texas trips, fire hydrants, middle of the road!?! But through it all we made it, I love you, J . . . For the final one: Kara Elizabeth Kinzel, where to start? B.F.F. charms, sweatshirts, Viscaya trips, Grandma'a party, 1st kiss, jeep, Chris McGibany, the infamous chair, Jeff's hotel, 12 to a bathroom, window escape, my sweet sixteen, Taste of Honey, (Elizabeth), you're my only friend. How did I get home?, Brian Matz house, paddy wagon, beach, summer 87, Camp 87, (help), Jose and Jeff, "Here I go again", (how true) Tallahassee, Gainseville, the plane ride, "How we getting home?" One night, dude, insane, your hurtin', like it's legal, Christmas break 1987, Nick, Bob, IPS buddies, boom, tweat, New year's Eve 1987,,, Well, babe, what now? College maybe?!?, Kara, you were always that special person throughout high school, you'll never know how very much you mean to me. One thing does scare me though, what if we are together FOREVER!!!!!! (Oh God!?!?) I LOVE YOU!!! BEST FRIENDS FOREVER!!!!!!! . . . To all my teachers, coaches, family, and friends I have only to say thank you for all your help, without you I never would have made it this far . . . Best of luck, Heritage. . . . THE END

Congratulations Mia Tanya!

You have always been very special to your family. We all love you deeply and care about your personal happiness, your success in school and your future life goals. You are Tata's special little girl, your brothers' ideal sister and my special gift from God. You are the wonderful daughter every mother wishes she had and I do!! This special relationship has always allowed us the closeness of mother and daughter and is built upon mutual respect that will last a lifetime. I am so proud of you and I love you. You will always be my baby girl.

Love,
Mama

To our wonderful Dawn,

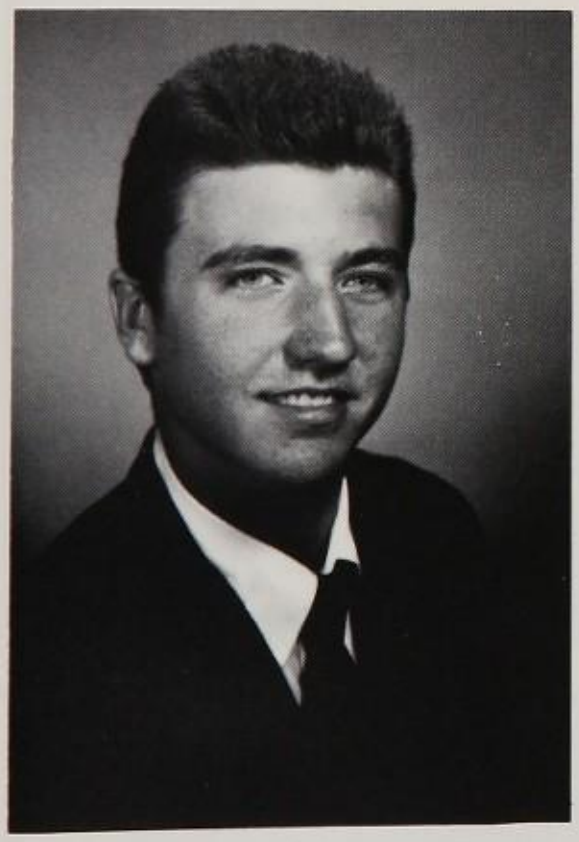
I remembered when you entered kindergarten and now you are graduating high school already! The years have passed quickly and you have grown beautifully. May there be many, many more happy and healthy years ahead of you. You are a shining star in our hearts!

Love,
Mom and Dad

To my sister,

Let the sunlight shine forever in your heart.
And let the clouds drift their way,
So the light can fulfill your dreams.

Love,
Ally



Steve,

We are very proud of you. You have grown into a fine young man. May your future be filled with happiness and success!

You have been a wonderful son, a great friend, and an inspirational Big Brother . . . We wish you only the BEST IN LIFE . . . Congratulations and Good Luck in your future endeavors!!!

We love you very much and always will . . .
Mom, Dad, Johnny and Timmy

Best of luck, Tony!
We are all very proud of
all that you have done
and all that you are.

Congratulations, Sean!
We love you.
Best of luck to you and the
Class of '88!
